APPLE SHIPMENTS. The board of trade has been advised by the War Trade Board, Ottawa, that the general license allowing the importation of apples into Great Britain is for a period of three months.

ONLY ONE REPORT TODAY. Only one house was reported at the board of health office today as having a new case of influenza. There is no change in the smallpox situation.

GASSED AND WOUNDED. George H. Seely, West St. John, has been advised that his son, G. G. Seely, a member of the 20th Battalion, had been gassed and wounded on Nov. 9, two days prior to the signing of the armistice. Private Seely went overseas as a member of the 104th Battalion Band and was transferred to the 20th Battalion. His many friends will join with the family in hoping that he has a speedy recovery.

DEATH OF W. J. WRIGHT. William James Wright of Upper Golden Grove died this morning at his residence. He was seventy-four years old. Besides his wife he leaves three daughters, Mrs. G. F. Stephenson, Mrs. Albert Stephenson, both of Golden Grove, and Mrs. Frank Davidson of this city; one son, Leonard Wright, of Golden Grove. The funeral will take place tomorrow afternoon from his late residence.

A. J. HURST DEAD. The many friends of Asa James Hurst of 117 Brussels street will regret to learn of his death which occurred on Saturday morning in the General Public Hospital after a short illness. He was a member of the crew of the S. S. Empress. Besides his wife he leaves three daughters, Mrs. Simon Hurst of Port Hillford, N. S., five sisters and four brothers. The body was taken on Saturday to Nova Scotia for burial.

MRS. RICHARD J. SULLIVAN. Many will learn with regret of the death of Mrs. Richard J. Sullivan, which occurred at the General Public Hospital this morning. She leaves two sons, William and Richard, and two daughters, Margaret and Lillian, of this city; two sisters, Mrs. John Phinney and Mrs. George Stephenson. Mrs. Sullivan was the daughter of the late John Black of this city.

CONGREGATIONS WERE LARGE. That the influenza prevalence is practically no prevalence at all was forcibly demonstrated by the immense concourse of people seen on the streets yesterday going to and coming from divine service. All the churches were filled to capacity and the Sunday schools, as well were above normal in attendance. In fact, one superintendent reports an influx of new scholars who would have been included in the roll-calls earlier if it had not been for the influenza ban.

EPIDEMIC WON OUT. The declining influenza epidemic in the west of Canada caught several of the travelling show companies seen here a few weeks ago and caused their abandonment of further engagements. Among these companies were the Dandy Long Legs and Everywoman aggregations. The Chin Chin company, after being stalled down this way by the "flu" ban, met the same ban in Montreal and then again west. It seemed to be moving westward as the epidemic finally finally the malady outstripped it and the company had to disband.

RETURNED FROM CHINA. A bright little Chinese citizen is Hum H. of the lower part of Charlotte street, who has just returned from a long visit to China, where he went to see his brother up in business. Mr. H. made his appearance among friends yesterday and was warmly greeted. He says that in the flowery kingdom one would not have known that a war was going on in the other great parts of the world, as food prices were normally low and the people kept on living in their same philosophical way. The St. John man was in Canton most of the time.

MORRIS-MEMAHON. A wedding of much interest took place this morning in the Cathedral of the Immaculate Conception when the Rev. Harold Coughlan, with nuptial mass, united in marriage Florence B. McMahon, daughter of Mr. and Mrs. Francis J. McMahon, and Harry J. Morris, both of this city. The bride was becomingly attired in a tailored suit of blue with hat to match and seal cape. After the ceremony Mr. and Mrs. Morris drove to the home of the bride's parents, 809 Union street, where a dainty breakfast was served. They were the recipients of many beautiful presents. Mr. and Mrs. Morris will reside in the city.

NOW HAVE GYMNASIUM. The small boys of the Central Baptist church, Camarthen, and Leinster streets, have had a gymnasium set up for them in the large suite of rooms, formerly the Leinster street school, but which is part of the church equipment now. Mr. Henderson is the instructor and superintendent of this branch of work among the juveniles. The various other rooms are devoted to class studies, missionary and social clubs, girls' basket ball teams, etc. Possibly no church in the city is better equipped for these side lines of congregational work and recreation than the amalgamated Brussels street and Leinster street churches in their new home.

CALVIN CHURCH

BOUGHT FOR USE AS SYNAGOGUE

Hazen Avenue Congregation Secures Edifice Formerly Used as Presbyterian Place of Worship - Remodelling It

The members of the Hazen Avenue synagogue congregation have acquired the Calvin Presbyterian church property, corner of Wellington Row and Carleton street, and preparations are now being made for its occupancy as a place of worship and as a Hebrew school. The transaction consummated several days ago between William Webber, president of the congregation and the board of the St. Andrew's church, with which the Calvin church body was amalgamated. The purchase of these larger and more convenient quarters by the Jewish congregation in place of the Hazen avenue church, formerly occupied by the Unitarian body, came as somewhat of a surprise, as it was understood in certain circles the Knights of Pythias had practically decided upon acquiring it as a Castle Hall, since they are leaving the M. R. A. building, Germain street, next spring.

The old Calvin church is a two-floor edifice with commodious vestry accommodations on the ground floor and a high-ceilinged and well-lighted auditorium upstairs. It is in a fair state of repair and exceedingly well built. It is understood the price was in the vicinity of \$12,000. The Hazen avenue congregation has been growing quickly of late, and the quarters soon to be vacated have been inadequate for a long time. Particularly in the matter of a school for religious and historical study has the old church proven too small. On frequent occasions or other special observances a large number of visiting communicants have made the capacity of the synagogue far too limited.

It is understood the old building will be sold, unless it is decided to retain it as a special building for the furtherance of philanthropic work or social endeavors, in which line of effort the Hebrew population is taking an active part nowadays.

COUNSEL GIVES NEW TURN TO EVIDENCE IN THE ROGERS CASE

In the Sussex police court on Saturday before Magistrate H. W. Folkins, the preliminary examination of Hugh McDermott, held in connection with the death of George Rogers of Barnesville, Kings county, was continued. J. M. McIntyre represented the crown and Ralph S. J. Freese and Wm. M. Ryan of this city defended. The only witness examined was Robert Rogers, brother of deceased, who is instituting the charge. He told of originating his brother to St. John for hospital treatment following the shooting. He was also questioned concerning the size and shape of the bullet hole in the barn in which young Rogers was thrashing when he received his mortal wound. Mr. Freese contended that examination proved that the hole in the barn boards was more elliptical than round and seemed to have entered the building obliquely as if coming from a slantwise location. This, he contended, supported the assertion of the lads charged with the deed that the bullet fired at a fleeing animal had struck and was thus forced out of its course. At a prior sitting of the magistrate's court it was asserted the bullet hole was round and was straight through the boards. The case will be resumed next Saturday.

DEPOT BATTALION CONTINUES INTACT

The work of the demobilizing of the troops in M. D. No. 7 which was commenced during the latter part of last week is being continued, every day seeing more of the khaki clad boys reverting to civilian life. The unit being demobilized now is the overseas section of the 9th Siege Battery. A few days ago it was announced that the work of demobilizing the Depot Battalion would commence at once, but for some reason the work has not started yet. As an officer put it "We are waiting to see what is going to happen." The greater portion of this unit is out on harvest leave, and from all indications are liable to remain on leave for a longer period.

WAS GASSED ON DAY BEFORE WAR ENDED

Mr. and Mrs. John Mantle, 119 King street east, were advised this morning from Ottawa that their son, Private Thomas Edward Mantle, a member of the 20th Battalion, had been gassed on Nov. 10, one day prior to the signing of the armistice, and had been admitted to No. 4 General Hospital at Camiers. Private Mantle went overseas with the 140th Battalion and when the armistice was signed up in England he was drafted into the 20th Battalion. Early in 1917 Private Mantle was quite seriously wounded but after recuperating returned again to France.

ST. JOHN GIRL SCORED HIT. Mrs. Frank C. Owens of Truro, formerly Miss Florence Halpin of this city, was one of a party of sixteen girls and young matrons who buzzed over to New Glasgow last Wednesday evening to put on a fantastic musical programme at the Mercantile Fair. They made a distinct hit and by their patriotic numbers and exquisite floral embellishments were easily the feature of the evening. Mrs. Owens' share in the programme, besides characterizing a yellow rose, consisted of singing a turnabout of the song "Over There" entitled "Over Here," with inspiring references to the great victory and the end of strife. The former St. John girl was repeatedly encored.
