

"PRESIDENTIAL ROW" SOON THE SCENE OF ACTIVITY

Has Been Institution of Republican Party in Chicago Since 1904 — Biggest Season in History.

(Associated Press.) Chicago, May 18.—"Presidential Row" is an institution unique in American politics, and is preparing for the final drive that will culminate the week of June 8 in the nomination of a republican candidate for president of the United States.

The "Row," which each year is the centre of national pre-convention politics, is going through the biggest season in its history.

"Presidential Row" includes parts of two Michigan Boulevard hotels, which are connected by a subterranean passageway, and along the row every leading republican presidential candidate has established or will establish his headquarters.

Here, too, the Republican National Committee maintains extensive offices, while the Democratic committee meets here on occasion.

Since the Republicans began holding their conventions here regularly in 1904 the "Row" has become an institution of the party.

National headquarters of Governor Frank O. Lowden and Major General Leonard Wood were the first to open this season. The Wood delegation has been active on the "Row" since early last winter and the Lowden camp has been on the ground since January 1.

Later arrivals included western headquarters for Herbert Hoover and Attorney General A. Mitchell Palmer, and the regional offices of the National Personal Liberty League, working in the interests of Governor Edwards, democrat of New Jersey.

Reservations have been made for Senator Hiram Johnson, Senator Miles Poindexter and Governor Coolidge, of Massachusetts. They will open offices several days before the convention.

The Republican National Committee has had offices on the "Row" for several months. The committee will move to headquarters at the Coliseum about May 24, and there will begin hearing contests for convention seats on May 25 or 26, according to present plans.

Following the convention the Republican commission will occupy an entire floor, including the ball room, in a downtown hotel, and also establish work rooms in a loop building.

Will H. Hays, chairman of the committee, is expected to spend considerable time during the campaign here, and one of the large hotel parlors is being prepared for his private office.

The Democratic National Committee will maintain headquarters here, but not yet selected a location. Chairman Homer S. Cummings will divide his time between the offices here and those at the Grand Central Palace, New York.

It Strength Declines And Age Advances Follow This Suggestion

So many women grow old before their time, perhaps your wife or sister. A little while ago, buoyant, full of vigor and imparted pleasure to the whole family; but now in a few short years she has faded and lost color and strength. She is just ready to develop some disease that will further weaken and debilitate. You remember how it began, failure of appetite, tired in the morning, found household burdensome, always nervous and a little irritable. It's a shame to let her go down hill further when you can build her up so quickly with Ferronze. The change this nourishing tonic makes in a weak woman is surprising. It gives her rest for food, increases appetite and digestion enormously. The blood gets richer and stronger and adds new life to every organ in the body. A rebuilding process works through the entire system. The first week will show an improvement, and a month or two will fatten up the thinned, most run-down women you can think of. Take Ferronze for lost color, for nervousness, for weakness, use it when run-down and feeling poorly—it will do you more lasting good, keep you in better health, than anything else. Just as good for men and children, too, because Ferronze is harmless and safe, 50c. per box or six for \$2.50, at all dealers, or direct by mail from the Cattaraugus Iron Co., Kingston, Ont.

In Ye Olden Time

hoop skirts were worn by those who first asked the druggist, and insisted on having the genuine Golden Medical Discovery put up by Dr. Pierce over fifty years ago. Dress has changed very much since then! But Dr. Pierce's medicines contain the same dependable ingredients. They are standard today just as they were fifty years ago and never contained alcohol.

Dr. Pierce's Golden Medical Discovery for the stomach and blood cannot be surpassed by any remedy today.

Every spring most people feel "all out of sorts"—their vitality is at a low ebb—the blood becomes surcharged with poisons! The best spring medicine and tonic is called Dr. Pierce's Golden Medical Discovery. It puts vim, vigor, vitality into the blood. Try it. This is what folks say about it:

LINDSAY, ONT.—"Doctor Pierce's Golden Medical Discovery is the best medicine I have ever taken for stomach trouble. For many years I suffered with gastric stomach trouble and nervous indigestion. I would be so bad at times that it was necessary for me to be in bed two or three days at a time. I have doctored and taken many different medicines with little relief. Just recently I began taking the 'Golden Medical Discovery' and it has given me more relief than all the other medicines I have ever taken. My stomach does not bother me and I have not had any indigestion since taking this medicine. I can highly recommend the 'Discovery' to others who suffer with this ailment."—Miss Geo. WELLINGTON, No. 6 John Street.

GAVE HIM NEW LEASE ON LIFE

Keddy Says He Was Almost Past Working When He Got Tanlac.

"I simply feel like I had been given a new lease of life, and I don't believe money could buy a better medicine than Tanlac," recently declared Nathan Keddy, machine blacksmith in the employ of the Starr Manufacturing Co., and living on Wentworth street, Dartmouth, N. S.

"For six years previous to taking Tanlac I had been in a very run-down condition. I had no relish for my food and what I did eat seemed to do me no good for I lost no less than thirty-two pounds in weight. In the mornings I felt so tired and worn-out that I would rather have taken a beating than get out of bed, and I was so languid and drowsy all day I would almost fall asleep while standing over the forge. I could hardly stay on the job and it was all I could do to swing a hammer or lift a bit of iron. Many a time I felt like going home and going to bed and I was just about down and out and on the point of giving up my job, when I struck Tanlac.

"It was the many statements from people right here in Dartmouth and Halifax, telling what a blessing Tanlac had been to them, that led me to give it a trial. I've now taken about six bottles altogether and it sure has put me back on my feet. I've now got an appetite like a lumber-jack and can eat three good square meals every day. My food is doing me good too, for I have lost that worn-out feeling and can now do nine hours solid work a day without getting tired out. When my wife saw how much good Tanlac was doing me she took some too and it is helping her fine. I don't hesitate to advise anyone in need of a good medicine to try Tanlac for I am satisfied that they will get great good from it.

Tanlac is sold in St. John by the Ross Drug Company and F. W. Munro; by G. W. McKay, Beaver Harbor; Willard J. Colwell, Evans; C. V. Pearson, Highlands; and by the leading druggists in every town.—(Advt.)

PORT OF ST. JOHN.
Arrived Yesterday.

Schr. Daniel Getson, Getson, 285, from Barbados.

CANADIAN PORTS.
Halifax, May 17—Arrd, str. Rosalind, St. John's (Nfld.); Schem, do; Royalist, Tuxpan; Caraque, St. John.

St. John, May 17—Arrd, str. Rosalind, New York; Kanawha, London.

Montreal, May 17—Arrd, str. Canadian Trooper, London; Mendip Range, St. John.

FOREIGN PORTS.

Boston, May 17—Arrd, schrs. Mayflower, Bass River (NS); Crozimo, Five Islands (NS).

Arrivals—Baltic, New York; Liverpool; Caronia, at New York, from Liverpool via Halifax; Kronland, Antwerp, New York (18th).

MARINE NOTES.

The C. P. O. S. freighter Montezuma, bound to this port from Manchester with general cargo, is due to arrive here this tonight or Wednesday morning. The C. P. O. S. freighter Dunbride, also en route to this port, was reported by wireless at 4 o'clock yesterday morning to be off Cape Race. Both these vessels are consigned to McLean, Kennedy & Co., Ltd., and will load lumber for the United Kingdom.

The schooner Daniel Getson arrived in port yesterday afternoon from Barbados with about 1,000 puncheons of molasses for the Crosby Molasses Co.

The Mochelaga arrived yesterday morning from Louisburg with 7,100 tons of soft coal for the Dominion Coal Co. She docked at the coal company's wharf to discharge.

The steamer Halesius which has been loading general cargo at No. 3 berth, will sail on Wednesday for Montevideo and Buenos Ayres. She has the largest cargo of paper that has ever been exported from an Atlantic Canadian port besides her other freight. Two complete trainloads of paper, numbering eighty-five

THIN PEOPLE SHOULD TAKE PHOSPHATE

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, and giving them strength, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphorus elements, bitro-phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should soon disappear, dull eyes brighten and pale cheeks glow with the bloom of perfect health.

CAUTION.—While Bitro-Phosphate is unsurpassed for the relief of nervousness, general debility, etc., those taking it who do not desire to put on flesh should use extra care in avoiding fat-producing foods.

CATARHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or are even just a little hard of hearing or have head noises go to your druggist and get 1 ounce of Parmin (double strength), and add to it ¼ pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Cleared nostrils should open, breathing become easy and the mucus stops dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone losing hearing or who has Catarrhal Deafness or head noises should give this prescription a trial.

cars have been loaded on her. McLean, Kennedy are the local agents.

Kenora, Ont., Jan. 22, 1920.

The Minard's Liniment Co., Ltd.

Dear Sirs:—Just a few lines in favor of your Liniment. I would not be without MINARD'S LINIMENT for anything, as it will treat almost anything.

When I go hunting I always take a bottle in my pocket. It is the best for Cold in the Head I ever used; and for Cold in the Chest, and every other part of a person, and for Sore Throat it has no equal. It is also a good liniment for the hair as it always keeps it. I have also taken MINARD'S LINIMENT for the rheumatism of my legs and I would use no other for any reason. For Man or Beast, as I think it is far the best.

I remain,

Yours truly,

(Signed) DANIEL MACLEARN.

TO DIVERT MARSH CREEK.

The diversion of the Marsh creek at a point opposite Fernhill cemetery to make way for the bridge extension which will provide accommodation for some 1,100 more cars, was arranged at a meeting held yesterday. Those present included the prominent F. P. Brady, general manager of the C. N. R. eastern lines, and other railway and provincial officials, C. G. Hare, city engineer, and the members of the Great Marsh Commission. Workmen yesterday started removing the roof from the Union depot on account of weakening condition of the trusses. A temporary covering will be put up for the summer.

MATRON MACDONALD HONORED

One of the exceptional features at the closing exercises of Mount St. Bernard Ladies' College, Antigonish, last week, was the conferring, honoris causa, of the degree of LL. D. on Margaret C. MacDonald, R. R. C. matron-in-chief, C. A. M. C. N. S. This is the second time

Then you will know why thousands of women have altered their color to a darker shade. 1467 GARDEN BLVD., ST. LOUIS, MO. Accept No. 1467—For Sale by Druggists Everywhere

that a Canadian university has honored a woman with such a degree.

Brewer's Palace a Hospital.

New York, May 19.—The John E. Miller mansion, the home erected by the late brewer around the corner from his establishment, has been transformed into the People's Hospital. The mansion was among the architectural attractions of the Bronx.

A Cure for Bad Breath

"Bad breath is a sign of decayed teeth, foul stomach or unclean bowels." If your teeth are good, look to your digestive organs at once. Get Segel's Curative Syrup at druggists, 15 to 30 drops after meals, clean up your food passage and stop the bad breath odor. 50c. and \$1.00 Bottles. Do not buy substitutes. Get the genuine.

Muscles Mean Nothing when the nerves fall down. The nerves control the muscles. The stomach feeds both.

HAWKER'S NERVE & STOMACH TONIC has no equal as a nerve food, blood maker and invigorator. It is an excellent remedy for depression and dependency.

Read what Rev. Wm. Lawson, formerly of Carmichael Street Church, St. John, has to say.

"On several occasions I have suffered from severe nervous exhaustion and general debility. I was advised to use Hawker's Nerve and Stomach Tonic and have great pleasure in testifying to its restoring, toning, invigorating, and building up properties."

Sold by all druggists and general stores at 50c. The same price everywhere. None genuine without Hawker's name.

HAWKER'S TONIC AND CHERRY BALM IS A SAFE AND SPEEDY REMEDY FOR ALL COLIC AND COLDS.

HAWKER'S LITTLE LIVER PILLS CORRECTS ALL STOMACH ILLS.

THE CANADIAN DRUG CO., Limited, ST. JOHN, N.B.

Girls! Girls!! Clear Your Skin With Cuticura

There is no need for any woman to countenance superfluous hairs, because with a paste made by mixing some powdered cuticura with water it is easy to get rid of them. The paste is applied for 2 or 3 minutes, then rubbed off and the skin washed. This treatment will rid the skin of hair without leaving a blemish, but care should be taken to see that you get real Cuticura.

RHEUMATISM FOR OVER 16 YEARS

No Return Of The Trouble Since Taking "Fruit-a-lives"

108 Church St., Montreal.
"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists; took medicine; used lotions; but nothing did me good.
Then I began to use 'Fruit-a-lives,' and in 15 days the pain was entirely gone and the Rheumatism much better. Gradually, 'Fruit-a-lives' overcame my Rheumatism; and now, for five years, I have had no return of the trouble. I cordially recommend this fruit medicine to all sufferers."
P. H. McHUGH.
50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

Use Gun for Amputation.

Sydney, N.S.W., May 19.—Two Australian boys who were bitten by snakes owe their lives to drastic resource. In one case the father, unable to amputate the lad's toe because his knife was blunt, made the boy lie down with the toe protruding over the barrel of a shotgun. Then he fired the shotgun, blowing the gangrenous toe off. In Marsh Lake district, a youth of nineteen tried to chop off a snake-bitten toe, but finding the axe not sharp enough, finished the amputation with a razor.

CUTS AND BURNS

Heal Healthily When You Apply "ABSORBINE JR."

Infection won't creep in as you won't form or proud flesh cause complications, if you bathe the wound with "ABSORBINE JR."

This home liniment—so powerful in its destruction to germs yet so soothing and sealing to the flesh—stops the bleeding and eases the pain.

"ABSORBINE JR." can be put into an open wound with the assurance that it will both cleanse and heal.

It is equally good for treating Boils, Abscesses, Sores, Carbuncles, Ulcers, Felons and Run-around. "ABSORBINE JR." arrests inflammation, cleanses the sore, destroys pus and starts rapid and healthy healing. \$1.25 a bottle—at most druggists or sent postpaid by W. F. Young, Inc., Lyman Building, Montreal.

A Gift

A 10-Day Tube of Pepsodent is sent to all who ask. See coupon.

This 10-Day Test

Has shown millions the way to white teeth

All statements approved by high dental authorities

This is how millions have found the way to whiter, safer teeth. You see the results on every hand—perhaps in the teeth you envy. Send now for this simple ten-day test and see what your own teeth show.

Why teeth discolor

There is on your teeth a viscous film. You can feel it with your tongue. It clings to teeth, enters crevices and stays. That film is the teeth's great enemy. It dims them and destroys them.

The tooth brush fails to end it, for the ordinary tooth paste cannot dissolve it. So for months between your dental cleanings it may do a ceaseless damage.

It is the film-coat that discolors, not the teeth. Film is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea—a trouble which few escape.

Dental science has for years sought a way to fight that film. Five years ago the way was found—hand—perhaps in the teeth you envy. Send now for convincing tests have proved it. Now leading dentists everywhere advise it, and millions of people have been led to employ it.

Supplied on request

A ten-day tube of Pepsodent is now sent to all who ask—to 10,000 people daily. This is done to let everyone know quickly what it does.

Pepsodent is based on pepsin, the digestant of albumin. The film is albuminous matter. The object of Pepsodent is to dissolve it, then to day by day combat it.

Pepsin must be activated, and the usual agent is an acid harmful to the teeth. That is why it long seemed barred. But science has found a harmless activating method, so it can be daily applied to the film.

Two other new factors in tooth protection are also combined in Pepsodent.

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coat disappears. A ten-day test will be a revelation.

Compare this new method with the old. Then let the clear results decide what is best for you and yours. Cut out the coupon now.

Mail 10-Day Tube of Pepsodent to

Only one tube to a family.

The New-Day Dentifrice

A scientific film combatant which, after 5 years' tests, is now advised by leading dentists everywhere

BRUTAL MURDER OF LONELY WOMAN

Keeper of Small Dry Goods Store in Detroit Victim of Assassin.

Detroit, May 18.—Her throat cut and her face hacked many times with a razor, the body of Inilia Eavornia, keeper of a small dry goods store at 503 Clinton street, was found by her brother-in-law. A small baby, with blood upon its clothes, was toddling around the house when the officers entered to investigate.

It was evident the woman had been wrapping a bundle at the counter when she was attacked, and that she had made strenuous resistance to her assailant. In a sink in the back room were stains of blood and some discolored water where the murderer had washed his hands. The razor was lying at the side of the body.

A neighbor told the police that she had talked to Mrs. Eavornia fifteen minutes before her body was found. Eavornia, the husband, works at the Ford factory. Detectives of homicide and Italian squads have been assigned to the case.

SAYS THERE IS NO LABOR TROUBLE IN FINLAND

London, April 28.—(A. P. Correspondence)—Finland has no labor difficulties, declared its foreign minister, Dr. R. Holste, who is on a visit here, in explaining the steadiness and promise of his country's economic and industrial recovery. All the factories are working well, and they were able to export all sorts of timber products, wood-pulp, paper, textile goods and so on. They had as a matter of fact, huge stocks of paper, but the difficulty was to obtain ships to export it.

"We are anxious," said Dr. Holste, "to have friendly relations with Russia. We are a little nation of three and a half millions of people and we don't want to attack Russians. We are becoming more and more an industrial country; we cannot compete with Russia in growing grain, and friendly relations with her will mean cheap food."

LABOR TROUBLE ON NORTH SHORE

(Special to Times.)

Chatham, N. B., May 18.—The S. S. Lake Treba arrived here on Friday night from Cleveland, Ohio, to load roamed wood at the Miramichi Lumber Company's wharf for Portland, Maine. The men refused to go to work on Saturday for the wages offered, demanding seventy-five and sixty cents an hour. The company then closed down the wharf, maintaining that if they cannot ship roamed wood there is no use operating their plant.

CHARLES ROBINSON TO MANAGE FAIR

At a special meeting of the executive of the Exhibition Association, held in the offices in Prince William street last night with E. A. Schofield presiding, Charles Robinson was appointed manager for this year's fair. R. R. Patchell was appointed superintendent of grounds. Various matters in regard to the conduct of the exhibition were considered, and it was also decided to increase the cost of admission to fifty cents for adults and twenty-five cents for children, a gain of 100 per cent. over the former rates.

Application was made for a dog show in connection with the live stock exhibit.

NURSES ADVISE

Zam-Buk, because they have proved that it does what is claimed for it. Miss E. L. Doxey, graduate nurse, of 3220 Michigan Ave., Chicago, says: "I have a patient who suffered terribly with piles. Zam-Buk is the only remedy that gave her relief."

"I have used Zam-Buk myself for the same ailment, also for sores and burns, and have the greatest confidence in it."

but this matter as well as that of fire works, art show and special attractions will be taken up later. A public welfare exhibit under the direction of a women's committee will be included.

And They Did.

Miranda—"No, Fred; I won't take the armchair. You take it."

Fred—"Er—suppose we both take it!"
