RIEL'S EXPUESION .- As was expected, as justly too, Riel was expelled from the House o Commons by a vote 121 to 68, the Premier and Sir John Macdonald voting for it. There is no loubt Riel was a fugitive from justice. That he denied-and that he instigated the North-Wes retellion has been established. If he can justify not give himself up, and take the responsibility? Instead of doing so, he has behaved in the mo cowardly manner, and secreted himself. Let his Sensor Summer.

The steamship "Noderland," ashore below Philadelphia it is feared will prove a total N. B. & C. Railroad will not suffer the vex wreck.

The steamship "Noderland," ashore below N. B. & C. Railroad will not suffer the vex run the risk of such a trial. The flouse of Commons had no other course left but to experience the state of the state o mons had no other course left but to expel

the first step to outlaw Riel. In the votes and proceedings of the House of Commons of the 16th April, signed by the Speaker, we have the names of those who voted on the mo-tion and amorements. Mr. Mousseau's was for an annesty for Riel and his associates, and was lost Yeas 27, Navs 164.

Mr. Holton's wanted enquiry before voting for expulsion, lost Yeas 76, Nays 117.

Mr. Bowell's for Riel's expulsion, was ca Teas 121, Nays 68. C stigan voted for the two used, and gardens are yet untouched.

So 70 first and against the latter. Mr. Gillmor voted for The Sessions will meet again on F 0 06 Holton's amendment, and also against Riol's ex-His warmest and best friends in vari parts of the County, are very much disappoint at his vote and condemn it in severe terms. It is mpos-ible to conceive what induced him to vote and with the official correspondence in his posses 014 sion, that wither the Gov. General (Sir John Young) hor the British Government promised as

by the Rev. J. R. Campbell, in Yarmouth, we gather the following facts in reference to that enterprising locality: The first English settlers arrived in Yarmouth, June 9, 1761; it had been settled before that time, by Indians and French. The Cape was named by Champbain, "Cap Fercha," afterwards called Cape Fortson. The French had been taught by their passors to resist British authority. Settlers were invited from English and what is now the United States. The settlers underwent great hardships the settlers are invited from English and what is now the United States. The settlers underwent great hardships the settlers are invited from English and what is now the United States. The settlers underwent great hardships the settlers are invited from English and what is now the United States. The settlers underwent great hardships the settlers are invited from English and what is now the United States. The settlers underwent great hardships the settlers are invited from English and the carry and the carry and the local carry and local carry and the local car 50 gather the following facts in reference to that Locomotive and mill machinery 10 per cent. ad terprising locality: The first English settlers ar \$0 40 afterwards called Cope Forcess. The French. 1 50 had been taught by their pastors to resist British underwent great hardships the first winter; there eattle died. Thirteen families remained the first season, in the Spring six of them left the country. the name Yarmouth was given in 1759. Between 1764-7, about 70 families arrived in the county. Town point, on Cheboque river was cel upon for the town, and in 1784 Mr. Crawley unde a return to Government of 240 inhabitants in Cheboque and Cape Fourchu. It was also Admiral,
