## IT'S UP TO THE OFFICIALS TO KEEP THE HOCKEY GAMES CLEAN

(Moncton Transcript.)  
In very properly calling attention to the excess of rough-house play in hockey last winter, and trusting for an improvement in this regard this season, the Halifax Herald sits down somewhat harshly on the Moncton team. Be that as it may, the Herald has struck a note which, while not a new one, should, nevertheless, be regarded as vital. In diagnosing the case the Halifax organ incidentally names a cure which summed up in a few words, is a suggestion to fine monetarily instead of penalizing.
