THE LIFE OF THE B. VIRGIN MARY, OF HER MOST CHASTE SPOUSE, ST. JOSEPH AND HOLY PARENTS, ST. JOSEPH AND ST. ANNE.

Illustrated by fine Steel Engravings, and printed on superfine paper, with Chapter Headings, Borders, and Initial Letters, designed and engraved expressly for this work.

The Life of the Blessed Virgin is by the R. Rev. Romualdo Gentiliucci, Chamberlain to Pope Pius IX., is dedicated to, and honored with the suffrages of His Holiness, and approved by the Master of the Sacred Palace.

Gentiliucci's work will ever be remarkable for its unctious and beauty of style, no less than for the deep knowledge which it displays of the writings of the Holy Fathers, and all the monuments of ecclesiastical history.

The Life of Saint Joseph—no unfit companion for the elegant work of Gentiliucci—is from the pen of Father Vallejo, a Mexican Jesuit of the last century, a work approved by the ecclesiastical authorities in the Roman States, and frequently reprinted.

CONDITIONS: The Life of the Blessed Virgin, Her Holy Spouse, and Parents, will be published in semi-monthly parts of 48 pages each, with a Steel Engraving and several Wood Cuts in each number, and will, when complete, form a volume of nearly 1000 pages.

OBSERVATIONS OF THE PRESS: The work having received the approbation of His Holiness, himself, as well as of the illustrious Archbishop Hughes, it only remains for us to say, that it appears to be gracefully translated into our language, and the style in which it is produced, is really superior, both as to its general appearance, as well as to the chasteness of the design, and execution of the illuminated borders which adorn every page of the work.

No other work of our day, on the same subject, can be compared to it. It is unrivalled for beauty of style and depth of erudition. It is the offering of a learned and devoted son of the Blessed Virgin, who enjoys the confidence and friendship of our most Holy Father, to whom the work is dedicated. We are not more edified at the piety of the author, than astonished at the wonderful erudition displayed in the book. The translator has performed his task admirably.—Pittsburg Catholic.

We cannot too highly recommend it to the consideration of our readers, whether we regard the intrinsic value of the work itself, or the beauty and exquisite ensemble of its getting up.—Truth Teller.

Profusely illustrated with Engravings and vignettes, this work is brought out in such an elegant style, as to make it, exclusive of its literary merit, a fitting library companion to the Bible of the same enterprising publishers.—Detroit Visitor.

This work is one of devotion and merit. We do not know who translated it, but it seems better than average translations.—Freeman's Journal.

This work, translated from the Italian, and apparently well translated, is by an eminent author, is dedicated by permission to his Holiness Pius IX., and is spoken of in very high terms by competent judges. As far as we have seen it, we like it very much, and think it must prove a great favorite with the children of Mary and all devout Catholics.—Brounson's Review.

INDUCEMENT: Each subscriber to this splendid work will receive with the last number a magnificent Steel Engraving, suitable for framing, of the MOST REV. JOHN HUGHES, D.D., ARCHBISHOP OF NEW-YORK.

Canvassers will find it to their advantage to address the publishers. EDWARD DUNIGAN & BROTHER, (JAMES B. KIRKER), 151 FULTON STREET, NEW-YORK.

Just Published, Price \$1 50, A GREAT HISTORICAL WORK: THE CATHOLIC CHURCH IN THE UNITED STATES;

A Sketch of its Ecclesiastical History by Henry De Courcy, author of "Les Servantes de Dieu en Canada;" translated and enlarged by John Gilmary Shea, author of "The Discovery and Exploration of the Mississippi," &c., &c.

POSSESSING great industry and rare talent for historical narration, Mr. de Courcy has grouped together a most admirable sketch of Catholicity in Maryland, Virginia, and the Middle States, from the settlement to the present time; embracing notices of the origin of religious houses and of emigrant Catholics. At the close is a full account of the Mission of the Nunzio, Archbishop Bedini, and an exposure of the slanders decreed against him.

A Work for every Catholic family; it has been encouraged by the suffrages of many Bishops. REMARKS OF THE PRESS: It would be difficult for us to indicate with what pleasure we welcome this important addition to our Catholic literature.—Truth Teller.

Mr. de Courcy has gathered together in these pages many precious documents towards the future history of the Church in this country.—Freeman's Journal.

The author's and editor's names are well known to Catholic literature.—Buffalo Sentinel.

This work, next to the volumes of the R. Rev. Drs. Spalding and Bayley, is the most valuable contribution yet made to the history of the Catholic Church in the United States.—Pittsburg Catholic.

This is a most valuable book.—Catholic Herald.

This book is written in good temper, and, confining itself to facts, avoids personalities and overwarmth of expression.—New York Daily Times.

Mr. de Courcy has here rendered another important service to his co-religionists in the United States.—True Witness.

INFORMATION WANTED, BY James Murphy of Perth, Township of Bathurst, Canada West—of his son PATRICK MURPHY from the County Armagh, Ireland, who came to Montreal in July last, and hired with some person about town. Montreal, Oct. 9th, 1856.

Bilious Disorders and Liver Complaints. Dr. J. C. Ayer's Cathartic Pills. I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and consequent; they are an excellent remedy for derangements of that organ. I have seldom found a case of bilious dyspepsia obstinate that it did not readily yield to them. Paternally yours, ALONZO BALL, M.D., Physician of the Marine Hospital.

Dentists, Relics, and Worms. Post Office, Montreal, Nov. 16, 1855. DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but to no purpose. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had a bad cold, and my wife cured him with two doses of your Pills, which relieved her from five to twenty dollars doctor's bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Pharmacist.

Indigestion and Impurity of the Blood. Post Office, Montreal, Nov. 16, 1855. DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HILLES.

WABSAW, WYOMING CO. N. Y. Oct. 24, 1855. DEAR SIR: I had used your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M.D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. From a Person of the Name of St. Louis, Feb. 4, 1856. DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother accuses me paid from five to twenty dollars doctor's bills, and lost much time, without being cured entirely even then. She also tried your Pills, and they have cured her. ASA MORCHIDGE.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Hawks of the Methodist Episc. Church. Philadelphia, Pa., Jan. 6, 1856. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SEVRE CHAMBER, BAYON ROUGE, L., 5 Dec. 1855. DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even the Partial Blindness, have been cured by the alternative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country which do not possess some person who has experienced the benefits of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful and safe remedy known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unperceived, and should stand abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your child while they are curable, nor neglect them until no human skill can minister the inextinguishable cancer that has taken on the vital, ends your life away.

All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no pains, no labor to make it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

PREPARED BY DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass AND BOSTON. All the Druggists in Montreal and everywhere.
