# Bain's baby bears host National final

by Walter Nielson

Ron Thorsen and the UBC Thunderbirds may have put the Golden Bears in hibernation for another long year, but for this weekend at least, basketball lives again in the U of A gymnasium.

Friday night at seven, the junior Varsity Bears meet Hamilton in the opening game of the Canadian Junior Men's Basketball Championships. The five-team, three day tournament brings together teams from B.C., Alberta, Manitoba, Ontario and Newfoundland to determine the hoopsters' counterpart to Guy Lafleur and the Quebec Remparts.

Unlike most tourneys that attract university teams, the Junior Men's Championship is not part of the Canadian Intercollegiate Athletic Union's schedule. It is open to any amateur team in Canada, with the only restriction being that the players must be less than 22 years of age. The Junior Bears accordingly have no players older than 21, a unique situation for varsity sports teams.

"Actually, all our players are in their first year of collegiate sports," says coach Bob Bain, an ex-Golden Bear. "When the team

was first picked earlier in the year, we kept only those players who had full eligibility." Obviously Bain is developing talent that has a lot of potential for future varsity Golden Bear teams.

"We really have the cream of the high school crop on this team," Bain added. "Seven of our players were high school captains last year, six of them from the Edmonton area."

The tournament will be a single round-robin affair, with four teams seeing action Friday night. The tourney resumes with five games Saturday, starting at 10 a.m., and has the three remaining games Sunday. The teams involved are Memorial University, from Newfoundland; Hamilton Bartlett Brake, University of Manitoba Junior Varsity; Vancouver I.G.A; and the Junior Bears. The U of M JV's are the defending champs, and are touted to be the team to beat again this year.

When asked about his team's chances, Bain was

non-committal. "if we play well, we will have a good chance," he said. "My job as coach is really over. From here on it's up to the players."

And for the players, the tournament must represent the pot of gold at the end of a very grey rainbow. They have worked hard all year with few rewards, having no league to play in and sparse opposition. Copping the Canadian championship would nullify that, and help them look with brighter hopes to next year when they may get the chance to make Alberta a power once again in collegiate basketball.
