

# MEDIA BOWL

by Nick the Greek

Once again sports fans, its time for that event of events; "The Media Bowl", wherein, the Bruns and CHSR do battle, and may the best team emerge victorious. (Naturally us). This years game features the return of an old CHSR Alumni, the infamous "Killer". When last heard of, Killer was doing time in some remote South American jail. Legendary coach "Nick The Greek", who returned from retirement in Monte Carlo especially for the game, isn't fazed by Killer's return. "He's an animal", said Nick, "I remember once when he beat up a police car, it was horrible."

The Bruns coach mentioned that he had a few secret plans in store for the CHSR Bunnies Of Death. "Let them stew in it", he said.

Without further adieu, here's our line up:

Alan Robichaud: Just give this man some Coke and he'll fly for the whole game.

Steve Seabrook: Last years ball has graduated upwards, he's now a goalpost.

Mark "The Beast" Savoie: Commonly known as the Lord of Violence. Holds Media Bowl record for most limbs shattered.

Melanie Hawkes: They don't call her the mangling editor for nothing.

Chris Vautour and Tim Lynch: Our resident traitors Chris & Tim plan to play for CHSR in the second half. They should be dead by then.

Steven Marks: Rumor has it he'll actually play this year. Provided he's not off in some prison somewhere.

Rebecca Flewelling: Utilizing her experience in whips & chains, she anchors our defense.

Richard Renaud: Rich is used to tossing drunks around, the CHSR team shouldn't give him any problems.

James Taylor: When we need to get tough, James has the firepower to get the job done.

Kwame Dawes: Our esteemed Editor in Chief is working on his PhD, so he's ready to operate on the CHSR defense.

Peter "Flash" Thompson: Second in all time Media Bowl interception, and first in TD's.

Tara Froning: Our import from the West. Tara intends to do only one thing, win at all costs. If the opposing players suffer dismemberment, oh well.

Miroslav Wiesner: Miro has kindly volunteered to be the ball this year, a truly prestigious position. Rest in piece.

Well that's it for the line up, so remember that Bruns cheer Kill! Kill! Kill!, and drink a lot.

# Bloomers Shoot High

Enthusiasm and expectations towards a successful 1989-90 season for the Red Bloomers are at an all time high. After an outstanding 1988-89 season with a 12-2 record in the AUAA as a very young team; this year indeed looks promising.

The key returning veteran is 5'8" guard Pauline Lordon who is back for her fifth year. Pauline is a past AUAA MVP and All -Star team member. Another returning key veteran is fourth year player Lynn Christiansen. Lynn is a stabilizing force on defense.

Four players who have gained a year of collegiate experience will be looked upon to contribute to the continuing Red Bloomers success. The second year players will be led by Kara Palmer, the 1988-89 AUAA Rookie of the Year. Jennifer Hale, Jill Jackson, and Tracy Ross all have the potential to be top players within the AUAA conference.

Two new freshmen will make an immediate impact to the Red Bloomers. Tracy Lordon and Stacy Robertson, after successful high school careers and members of the 1989 NI Canada Games Team, will both definitely be an asset to the team.

Third year player Tammy Polchies and first year player Liane Pierce complete the 1989-90 UNB Red Bloomer roster.

Once again quickness and speed will be the strength of the Red Bloomers. With these components and superior shooting skills the Red Bloomers are striving for both domination and success.

# Red Devils Pre-season

by Tim Lynch

The UNB Red Devils have now played three exhibition games so far this year. Their record is a healthy two and one in the win-less column.

The Devils won their pre-season opener over the Mt. Allison Mounties last Thursday. The next day the team dropped a 7-4 decision to the McGill Redmen in Montreal.

Last Saturday, the Devils pulled out a 6-2 victory over the

Ottawa Gee-Gees in the nation's capital. The Devils overcome a 2-0 deficit and scored five third-period goals en route to the victory. Murray Nystrom led the team with a pair of goals while Hugh Hospodar, Dom Deluca, Gord Christian, and Dan Alther each added one.

The battle for pre-season campus bragging rights is set for 7 PM tonight at the Aitken Centre. That's when the Devils and their cross-campus rivals, the St. Thomas Tommies, square off. Last year, STU finished second to Moncton in the AUAA playoffs while the Devils failed to make post-season play. The Devils' first league game is next Saturday at 7:30 PM against the St. Mary's Huskies in Halifax.

# Beavers Swim to Win

By Lynne Wanycki

This weekend, the UNB Beavers begin their season by hosting the conference's first dual meets: UNB vs. Acadia and UNB vs. Dalhousie. It has been a long time since UNB has been able to overpower Dalhousie, but it looks like this might finally be the year. At this point in the season, the Beavers (and in particular, the men's team) look strong. Additionally, the Beavers' motivation to win is even stronger, as Mount Allison University (the Beavers' traditional arch-rival) has "adopted" the Dal Tigers Men's Team in lieu of their own

recently cancelled program. The meet was meant to be a Varsity-Mania event, but the Varsity-Mania crowd has withdrawn their support in favour of possible AUAA final events later in the year. This attitude - that swimming is not enough of a high-profile sport to warrant getting a Varsity-Mania event - is very disheartening to the team. Contrary to what appears to be the popular opinion the Beavers Swim Team is just as important a UNB team as, for example, the Red Shirts Soccer Team or the Red Devils Hockey Team. It's sad that the team-members, who put in at least 3 hours a day training for the university are not

granted recognition for the efforts. More than ever, the Beavers need YOUR support. If you're in the Gym, drop in; ex-swimmer get out there, general public UNB students, faculty and staff come out and cheer. Some terrific races are on the agenda. Besides, to quote Coach Bruce Fisher: "Where else can you enjoy the sights (beautiful co-ed and statuesque guys doing the athletic thing in the pool), the sounds (moving water, the Beavers cheering and jeering at Acadia and Dalhousie - and vice versa), the smells (who wouldn't cherish the smell of chlorine???)
