## Rules

Find the word which best suits the clue. The word begins with the letter above the clue you are dealing with. The number after each clue gives the number of letters in the word. When you get the word, try to find it in the box of letters. Circle the letters in the word. After all words have been found the quiz word will remain.

*Don't go straight to see this movie!*

Because there's going to be nothing straight  
 about a **CHEECH & CHONG** film.

Every generation has had their own comedy duo:  
 the 30's had Laurel and Hardy,  
 Abbott & Costello broke up the 40's  
 and Martin and Lewis really fractured the 50's.

**CHEECH & CHONG** have helped make  
 the 70's go "UP IN SMOKE."

**CHEECH & CHONG** are the comedy team  
 that gave birth to rock comedy  
 and in the process of turning on  
 a whole generation, sold ten million albums,  
 picked up numerous awards, including  
 Cash Box and Billboard's best comedy duo,  
 and a Grammy for their album,  
 "Los Cochinos."

Now it's time for a  
**CHEECH & CHONG** movie.

**C & C's "UP IN SMOKE"**  
 will make you feel very funny.

So don't go straight to see this movie!
