Hon. W. L. Mackenzie King,
Roxborough Apartments,
Ottawa.

My dear King-

I am very much obliged by your thoughtful letter of the 30th ult., in reply to my appeal for funds for Settlement House. You are surely amply justified in declining my invitation. I am particularly sorry to hear of your brother's condition. I knew, of course, of his trouble but I did not know it was so serious. My wife is really the Settlement House worker of our family; I am simply a member of the men's committee, whose function it is to raise the funds. As she has a high personal regard for you I am taking the liberty of passing on to her some of the personal information contained in your letter. Thanking you for your good wishes for 1915, and reciprocating them, I am

Yours very truly,

A. Southam
