Dear Mr. Hughes.

I enclose a letter received from
the C. S. Commission which speaks
for itself. It looks as tho the door
is closed to me as an "old soldier"

I thank you for any good word you may
have given me to St. Roch, and ask
that you will keep me in mind in
case of any opportunity arising for which
I am eligible.

Mrs. Blake had a long letter from
Mrs. Josling today. She has started a
large boarding house in Winnipeg
- says she is a "working woman" again.

With kind regards
Yours sincerely
Chris Blake.
