Dear Senator Meighen:

Thank you very much for your kind attention to my letter. I have already seen both Mr. Rhodes and the Deputy Minister, and they promised to consider our Agency, but, knowing how many firms would be looking for this business, I felt that a word from you would be of great benefit to us.

My father was Senator John Stanfield, and I hoped that you might remember me, although it is some time since we last met.

Yours respectfully,

*Harold F. Stanfield*
