

C 205554

OFFICE OF THE PRIME MINISTER

MEMORANDUM

for Mr. Handy.

Mr. Moodie told me that 24 copies of the early edition of "The Times" of November 18th in which Mr. King's picture appears on page 3 will be available tomorrow morning.

I gather that in the later editions of this issue of "The Times" Mr. King's picture had been removed.

November 20th, 1947.
