

DISTRICT OF PRINCE EDWARD ISLAND

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of the Loyal True Blue Association:—

Most Worshipful Sir, Sisters and Brethren—I beg leave to submit a brief report for the District of Prince Edward Island as follows:—

We have two very good lodges working here with a fair membership. I believe there might be several lodges organized here if you could afford to send an organizer down for say three or four weeks in the Month of October. I personally, have not got time to do the work and I would prefer you would appoint Bro. J. J. Bethune your D. D. G. M. for the ensuing year. Bro. Bethune is a Past Grand Master of the L. O. A. in this Province and is well respected, and is in a better position than I to work up the Order successfully.

Hoping Sir, that you may have a large and representative meeting of your Grand Lodge, I remain

Yours very truly,

J. H. BELL,
D. D. G. M.

Bernice Lodge, No. 214, of Amherst, which I had the honor of instituting in December last is making excellent progress, no meeting being held since organization without the initiation of new members. And, on the evening of my visit to them in June had seven members added to their roll.

Lodges have also been organized in Athol, Maccan and Chignecto Mines, by Bro. Daniel Johnson, Special Grand Organizer, but as I have not received any official report of this, and not knowing the names of their officers, am unable to report their condition.

I regret very much to report that Guiding Star Lodge, No. 189 of Joggins' Mines, is in a dormant state, but have good hope that it may be resuscitated in the near future.

The appointment of a Provincial Organizer for Nova Scotia at the last session of Grand Lodge was a prudent step and has been produc-
