

SOUVENIR Base Burner

... WITH OVEN ...

During the past year many Souvenir Base Burners have been sold, and all are in successful operation.

The oven on this stove is positively the quickest in the market, and is provided with the aerated oven, which has been such a distinguishing feature in our Souvenir Ranges.

This Stove presents a very handsome appearance, and has great heating capacity.

Every Stove is a double heater.

Call and see this elegant stove before purchasing.
