## GOOD FOR MAN AND BEAST. FARMERS READ THIS.

LEWIS A. PHILLIPS, of Providence, R. I., writes as follows:

Messrs. Perry Davis & Son.—Gents—I have for many years used your valuable medicine, the "Pain Killer," on my horses, and can testify to its efficacy in curing Galls, Sprains, Bruises, Cuts, Cramps, Weak Joints, Rheumatism, Colic, &c., &c. I have had over 40 horses in constant use, in the omnibus business, and have never known it to fail in any case where I have used it.

LEWIS A. PHILLIPS.

Read the following letter from Dr. Deal, of Bowersville, O., who is a Veterinary Surgeon of great skill:

I have given "Perry Davis' Pain Killer" in many cases of colic, cramp and dysentery in horses, and never knew it fail to cure in a single instance. I look upon it as a certain remedy.

DR. JOHN R. DEAL.

"Pain Killer" is equally good for man or beast and on farmer should be without it a single hour.  
Sold by all Druggists and Medicine Dealers at 25 and 50cts. per bottle.

COUNTER-BALANCE

ROCKING CHURN,

PATENTED by H. SELLS, Dec. 29th, 1868.

THIS Churn is superior to all others in use; it makes more Butter from the same quantity of Cream; it is worked with three quarters less power; a child six years old can easily churn with it; it makes better butter, as it gathers it in Solid Rolls and works all the milk out of it. All this is done in less time than can be made with a dash churn, and it is quite as easily cared for and cleaned as a common dash churn. Manufactured by H. Sells & Co., Vienna, Ont., price \$5.00. All orders will receive prompt attention. Agents wanted.  
Address H. SELLS & Co. Vienna, Ont.

May be seen at the Agricultural Emporium.

## G. J. BAKER

HAS invented a Machine that makes washing day a pleasant pastime, instead of—THUMP, THUMP, SCOLD SCOLD, all the day as of old. It is pronounced the HOUSEKEEPER'S FRIEND AND UNIVERSAL FAVORITE, by all who have seen and used it. It is universally acknowledged that a good

## Washing Machine

WITH A WRINGER COMBINED,

Will save two-thirds of the labor, and make the clothes last more than twice as long as those done in the old style. The reason why G. J. Baker's Patent Washing Machine is

**SUPERIOR TO ALL OTHERS**

Is, because it washes quicker and cleaner, and makes the clothing whiter with less muss about the house than any other Machine in existence; thereby saving more than half the labor, half the fuel, and half the soap generally used—as a child twelve or fourteen years old can do more in two hours than a woman could do in half a day in the old way. See it and try it before you buy any other kind, as it is a machine that is easily worked, and less liable to get out of order than any other machine now in use.
