Cost and Service

The two factors considered before a purchase is made.

Steel Truss Barns

measure up to every requirement. They are as sturdy as a skyscraper. They have no cross-beams to hinder unloading or mowing away. They are fire and lightning-proof. They have metal clad, roller doors, lift roof-lights, sliding side windows and "Acorn" ventilators. The cost will compare favorably with a wood frame barn.

Send for a copy of new book, "The Steel Truss Barn."

The Metal Shingle & Siding Co., Limited

A FINE RECORD

The results of the examinations during the past year show a magnificent record for Albert College. In the Departmental Examinations 90 per cent. of those who wrote on Senior Matriculation and Faculty got their standing. In Normal Entrance and Junior Matriculation ten students were successful, three securing honors, and only one had spent two years on the work, the time allowed by the High Schools.

With one exception all Piano and Vocal students were successful in passing Conservatory and College examinations, most securing honors and many first honors. All candidates in Art, whose work is examined by Prof. W. A. Sherwood, R.A., C.A., passed, many with honors. All students in the Expression Department were successful.

Illustrated Calendar and terms sent on application.
