

Good-bye to Dull Days

Touring advantages with a Ford car lift farm life out of the rut of hard work. Good-bye to dull days if you have a Ford on the farm. The stay-at-home family craves the pleasures of town life—the jolly parties, the entertainments, the lectures, shopping in town—the change that's better than a rest.

Away, five, ten, fifteen miles in the evening! Back before 10 o'clock, up early and fresh for work next day with a new enthusiasm that livens up everybody. Nothing can take the place of the automobile on the farm for healthy, wholesome, invigorating enjoyment.

Thousands of farmers in Canada use Ford cars with satisfaction. Donald Murray, Kennedy, Sask., says:—"A Ford is a necessity on every farm. I would not be without one as long as I have money to buy one."

But there are other reasons than recreation for adopting the Ford. It takes its place in the day's work. It is your strongest help and time-saver for emergency trips to town. It cuts the cost of running and repairs to the minimum. You can use it profitably and enjoy it constantly. Buy one now.
