GOSSIP.

In the year 1900 there were 1,940 boars kept for breeding purposes in Ireland. Of these, 1,222 were of the White breeds, 76 Berkshires, 3 Tamworths, 451 cross-breds, and 188 not falling under any of these heads.

1,222 were of the White breeds, 76 Berkshires, 3 Tamworths, 451 cross-breds, and 188 not falling under any of these heads.

One of the foremost breeders of high-class Shorthorn cattle in this country is Mr. Chas. Rankin, of Wyebridge P. O., near Midland, Ont. On the occasion of a recent visit, Mr. Rankin showed us six imported Scotch-bred cows that are well worth a visit to his farm to see. Gladys, Vol. 43, p. 352, E. H. B., a handsome red 4-year-old, bred by D. C. Bruce, Breadland, Huntley; sired by Sigmund 2nd (3583; dam Fanny B. 20th, by the Duthie-bred Dashwood, by Cupbearer. Alice, bred by James Brown, Crovie Farm, Banff; sired by Roslin 67774; dam Bessie Lee 2nd. Beryl. Vol. 45, bred by W. A. Mitchell, Auchaugathle, Whitehouse, Aberdeen; sired by Livy 61118; dam Budget. Tilbouries Duchess, bred by John Young, Tilbouries, Maryculter; sired by Allan Gwynne 66609; dam Rossie 2nd. Bloomers, bred by J. B. Manson, Kilblean; sired by John Young, Tilbouries, Maryculter; sired by Allan Gwynne 66609; dam Red Rose. Dred by John Young, Tilbouries, Maryculter; sired by Allan Gwynne 66609; dam Red Rose. These cows, along with numerous others, both imported and home-bred, constitute a magnificent herd of Shorthorns, and one of which Mr. Rankin is justly proud, for it contains many very choice animals. Mr. Rankin is the breeder of the beautiful cow, Dorothea, winner of second prize at the International Show at Chicago, 1900. The present stock bull is Gladiator, imp., bred by Philo L. Mills, Ruddington Hall, Nottingham, England, and imported by W. D. Flatt, Hamilton; sired by Pride of Fashion 73239, a son of the noted Highland Society champion, Pride of Morning, and his dam by the great Scottish Archer. Gladiator is one of the heavy, deep, thick-fleshed bulls that are so much sought after as sires, and his superiority as such is shown in the excellent calves he is leaving. Intending purchasers should see this herd.

T. S. COOPER'S JERSEY SALE A GRAND SUCCESS.

The greatest sale of Jersey cattle in America for many years was that of Mr. T. S. Cooper, at Coopersburg, Pa., on May 30th, when 108 imported Jerseys were sold at auction, realizing \$48,789, or an average of \$451.75. The 4-year-old imported bull, Goiden Monplaisir, sired by Golden Lad, a magnificent specimen of the breed, brought the sensational price for a dairy bull in these days of \$3,500, and was bought by H. N. Higginbotham, Joliet, Ill. The 2-year-old bull, Imp. Golden Fern's Brown Fox, brought \$2,200, Vancroft Farms, Wellsburg, W. Va., being the purchaser. The highest-priced cow was Golden Rosebay, a 5-year-old daughter of Golden Lad, bought by Biltmore Farms, Biltmore, N. C., at \$2,775. The next highest price was \$1,400, for Golden Beatrice, another 5-year-old daughter of Golden Lad, taken by the same buyer. Eighteen imported bulls sold for an average of \$568.89, and 50 imported cows for an average of \$588.89, and 50 imported cows for an average of \$518.

Mr. Cooper's sale last year of 83 imported Jerseys at an average of \$371 was considered a great success, and many were doubtful of his ability to improve on that record this year, but he promised a better lot of cattle, and the result seems to have fully justified the promise. He is an excellent judge and a master of the art of selecting, preparing and placing his cattle be fore the public to advantage.

Prevention of Disease.

Keep the Stomach Right.

It is surprising what a safeguard a healthy stomach is against disease. And, again, it is not so surprising when it is remembered that the only way we get pure blood, strong nerves and firm flesh is from wholesome food, well digested. It is the half-digested food that causes the mischief. When the stomach is weak, slow, inactive, the food lies in the stomach for hours, fermenting, forming gases which poison the blood and the whole system, causing headache, pains in the back, shoulder blades and chest, loss of appetite, palitation, biliouspess

back, shoulder blades and chest, loss of appetite, palpitation, biliousness.

The safest cure for indigestion is Stuart's Dyspepsia Tablets, composed of vegetable essences, truit salts, pure pepsin and golden seal. Dissolve one or two of these tablets in the mouth after each meal. They are pleasant tasting, and mingling with the food so assist the weak stomach that the food is perfectly digested before it has time to ferment.

Stuart's Dyspepsia Tablets cure indigestion and increase flesh, because they digest flesh-forming foods like meat, eggs, etc.
