CLYDESDALES AND HACKNEYS.

CHOSSIE HASSARD'S NEW IMPORTATION OF Mr. T. H. Hassard, of Millbrook, Ont., has recently returned home from Scotland with a fresh importation of Clydesdale stallions and fillies and Hackneys. This lot includes 14 head that represent the get of such noted sires as Baron's Pride, Hiawatha, Lord Lothian, Baron's Fashion and Marcellus. Mr. Hassard has made several importations of Clydesdales, and has brought over a number of exceptionally good ones, but never before such a lot of high-class animals as this lot comprises. They at once reflect great credit on his good judgment, and are certainly a grand acquisition to the Olydesdale breeding stock of Canada, and will be a decided loss to the breeders of Scotland. Combining, as they do, sie and quality, royal breeding and splendid action, they are just the kind of horses wanted in this country. In giving a brief description of them, we must honor with first place that old peer of Scottish Clydesdales, Prince Alexander (8899) acknowledged to be one of the most celebrated horses known in the history of the breed, who was purchased as a yearling for £1,250, and the same year won the championship from the £3,000 Prince of As a three-year-old at the Scottish Stallion Show, he won the Cawdor Challenge Cup, beating the great Prince Robert. Breadalbane (11637), a bay fouryear-old son of Hiawatha, dam Lady Gartley, by the great Royal Gartley, is an exceptionally good horse, combining size and quality to a marked degree. His egs and pasterns are perfect, and his ac tion superb. He is a very desirable horse. Pride of Barassie (12276) is another son of Hiawatha, dam Rosie, by Montrave Mac. He is a brown threeyear-old, a rare, good colt, full of Clydesdale character, with abundance of style and quality, nice, clean, open action, a very large, smooth colt, and will be a winner sure Bright Morn (12198), by Baron's Fashion, dam Lady Derwent, by Prince Frederick, is a bay, two years old, and a cracker, possessing the happy com bination of size and quality, standing or ideal legs, acts grandly, and is the making of something extra good, look out for this colt: Banchory's Marcellus (12430), by the champion Marcellus, dam Sally, by Prince of Carmeban, is a two year old bay, a rolt of great sussance a very natty way of going, a credit this illustrious sire, and one that will re-He is an extra, all round good one Pearl Finder (12689) is a bay two-year old, sire by Lord Lotbias, dam Daisy of the Bank, by Alleyford, a very larg heavily-muscled colt, with heavy, it bone and well sprung and less the m of a very large hots.
