

## A NORDHEIMER PIANO THE BEST CHRISTMAS GIFT

There is no gift which can compare with a **Nordheimer Piano**. It's the best—and a permanent gift, too.

It is a present which will never allow the recipient to forget the giver, for every time the recipient plays upon it pleasant thoughts of the donor are awakened.

And such a tone as the peerless Nordheimer possesses! Sympathetic enough to move you to tears; powerful and stirring enough to bring you to your feet when martial strains are played.

Every note rings out clear and sure to the touch of your fingers, and the wonderful quality of tone is there to stay for years and years. Permanency of tone is one of the strongest features of the unrivalled Nordheimer Piano.

The one-price system assures a fair and square deal to all.

THIRTY YEARS

AT HOME  
1906

This magnificent building and grounds is the reward of our 30 years' of honest and earnest efforts.

The new home of the

**Canada Business College, Chatham, Ont.**

Canada's Greatest School of Business

Its 3 years' of high-class work, backed by this splendid equipment of building and grounds, costing nearly (\$30,000) thirty thousand dollars, coupled with cheap board and the paying of your railway fare; all of these combined with its great success in placing graduates in good positions, places its advantages so far above its contemporaries that it does not pay the student to go elsewhere, and is drawing students from Newfoundland on the East to British Columbia on the West. The English-speaking world is our field.

400 students placed in good positions last year. December is one of the best months in which to start **NEW-YEAR OPENING, WEDNESDAY, JAN. 2, 1907.**

If you cannot come to Chatham, and want to learn Bookkeeping, Shorthand or Penmanship, we can train you at your home in these branches through our courses by mail. Our magnificent catalogues will tell you all about these courses. General Catalogue tells about the training at Chatham. Mail-course Catalogue tells about the home courses. Write for the one you want, mentioning this paper.

### THE EUREKA ROOT CUTTER

Fitted with either slicing or shredding cylinders. The slicer will cut much faster than any other machine of its kind. The shredder is the ideal of root cutting. It does not mash, but cuts in thin strips. It will also cut much faster and runs more easily than the ordinary pulper. Just what the farmers are looking for. If your local dealer does not handle them, write
