Galt Steel Siding

A building roofed with Galt "Sure-grip" Shingles, and with its sides protected with Galt Steel Siding, will come through a hurricane unharmed, while other buildings will be badly shattered, if not demolished.

Galt "Sure-grip" Shingles are locked together so securely and lie so closely to the roof that they leave no opening for the wind to get under and rip them off.

Galt Steel Sidings are wind-proof, too. They don't shrink, leaving cracks for the wind to sneak in, as does lumber, particularly the unseasoned kind which no gets nowadays.

Warmer than wood—and at no greater cost. Fire, wind, water and frost proof. Galvanized or painted. Handsome as brick or stone.

Why This MOWER Beats Any Other ON EARTH

WHETHER you think of buying a mower now or might buy one ten years from now, we want to tell you how good a mower we've got for you. The Dain Vertical Lift Mower is the smoothest working, lightest running, easiest pulling machine on the market. You can thoroughly understand it at once and see its vast advantages of build. The high drive wheels, for instance, insure lightest possible draft and enormously increased traction. The cutting apparatus, carried on the wheels, by means of an adjustable coil spring, uses every bit of power, reduces useless friction and lessens pull for the team.

The long pitman gives a smooth, strong, unerring stroke. The gearing is all on the left wheel where it offsets the weight of the cutting-bar, altogether doing away with side draft. Many other desirable, exclusive features help make the

Dain Vertical Lift MOWER

easiest to run, surest in results, most perfect in construction, most durable, altogether most satisfactory and so simple a boy can handle it easily.

Built with utmost care, entirely of selected materials, withstands hardest wear and tear and sticks right to business all the time. The name "DAIN" on a Mower or any other hay tool is your guarantee of highest excellence. It is backed up by the perfected result of a quarter century's successful experience. Ask your dealer about this Dain Vertical Lift Mower, or write us for interesting descriptive booklet.
