The Martin Steam Power Brick Machine

STYLE "B"

Capacity 25 to 50,000

Weight 8,500

This machine in its original form, as
built 20 years ago, has been on the Can-
adian market during that time made by
several parties. Not being satisfied with
the old machine, we procured from the
patentee the latest improved machine and
it is this machine that we offer our cus-
tomers. Every machine is correctly adjusted
before leaving our works.

We have one of these machines in
stock for immediate delivery.
