#### Horsford's Acid Phosphate

WELL PLEASED. DR. C. ROBERTS, Winchester, Ill., says: "I have used it with entire satisfaction in cases of debility from age or overwork, and in inebriates and dyspeptics, and am well pleased with its effects."

Well pleased with its effects."

Volumes of Bombast have been published about the multifarious and irreconcilable effects of many proprietary remedies. The proprietors of Northrop & Lyman's Vegetable Discovery content themselves with facts susceptible of proof. They state their Purifier to be what it has proved itself to be an eradicator of Description. They state their Puriner to be what it has proved itself to be, an eradicator of Dyspepsia, Constipation, Liver and Kidney troubles, and a fine general alterative. Sold by Harkness & Co., Druggists, Dun-

A Modern Miracle.

In a recent letter from R. W. Dowson, of Deloraine, Ont., he states that he has recovered from the worst form of Dyspepsia, after suffering for fifteen years; and when a council of doctors pronounced him incurable he tried Burdock Blood Bitters, six bottles of which restored his health.

The Cheapest medicine in use is Dr. Thomas' Eclectric Oil, because so very little of it is required to effect a cure. For croup, diphtheris, and diseases of the lungs and throat, whether used for bathing the chest or throat, for taking internally or inhaling, it is a matchless compound.

To break up a cold or cough or its ill results there is no better remedy than Hagyard's Pectoral Balsam.

USE PROF. Low's SULPHUR SOAP for Prickly Heat, Nettle Rash, Scaley Eruption, Itch, and all diseased conditions of the skin.

#### THE MODEL OF WORKINGMEN.

THE MORL OF WORKINGER,
FOR BARK PARSES
FOR BAR beautiful and attractive lustre than in the meckness and patience with which he submitted to his lot and bore the many trials and sufferings incident to his position. Would to God that the great mass of even Catholic laborers would have recourse to him and imitate his example. Thus only can they secure contentment and peace in the midst of the sorrow and suffering of life, and exert that healing influence on society which is the exclusive preregative of the true Catholic Christian.

To lessen mortality and stop the inroads of disease, use Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. For all diseases arising from Impure Blood, such as Pimples, Blotches, Bilourn's, Indigestion, etc., etc., it has no equal. Mrs. Thomas Smith, Elm, writes: "I am using this medicine for Dyspepsia. I have tried many remedies, but this is the only one that has done me any good." For sale by Harkness & Co., Druggists, Dundas street. Dundas street.

One Dollar against Five Hundred. Isaac Brown, of Bothwell, Ont., was afflicted with Chronic humor in the blood. He says one dollar bottle of Burdock Blood Bitters was worth more than \$500 00 paid for other medicines. It is a reliable blood purifier.

To break up a cold or cough or its ill results there is no better remedy than Hagyard's Pectoral Balsam.

#### Round Shot at Ingersoll.

A number of students attending a col

purulent discharge caused by the presence of a vegetable parasite in the lining membrane of the nose. The predisposing causes are a morbid state of the blood, the blighted corpuscle of tubercle, the germ poison of syphilis, mercury, toxomæa, from the retention of the effete matter of the skin, suppressed perspiration, badly ventilated sleeping apartments and the germination of other poisons in the blood. Irritated by these, the lining membrane of the nose is ever ready for the reception of the parasite, which rapidly spreads up the nostrils and down the fauces, or back of the throat, causing ulceration of the throat; up the custachian tubes, causing deafness; burrowing in the vocal chords, causing hoarseness; usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death.

Many ingenious specifics for the cure of catarch have been invented, but without success, until a physician of long standing discovered the exact nature of the disease and the only appliance which will permanently destroy the parasite, no matter how aggravated the case. Sufferers should send stamp at once for descriptive pamphlet on catarch, to the business manager. A. H. Dixon & Son.

A Severe Trial.

Those who endure the torturing pangs of neuralgia, rheumatism, sciatica, lumbago, and similar painful complaints are severely tried, but there is a speedy relief in Hagyard's Yellow Oil as thousands who have used it jyfully testify. It banishes pain and lameness quickly.

Orpha M. Hodge, Battle Creek, Mich., writes: I upset a tes kettle of boiling hot water on my hand. I at once applied Dr. Thomas' Eelectric Oil, and the effect was immediately to allay the pain. I was cured in three days.

A Double Benefit.

A Double Benefit.

Harry Ricardo, of Toronto, certifies to the benefits received from the use of Hagyard's Yellow Oil as a cure for rheumatism and deafnes, his affliction with these combined troubles being a severe one.

A Sketch of Irish Parties from 1843.

By T. P. O'CONNOR, M. P.
Large Svo, 578 pages, cloth, \$3.50

The clearest and most foretble statement ever presented of the Irish
Mr. O'Connor tells in a direct and honest way all the facts about the Parnell move ment, traces its growth and connects it with previous movements of a similar rind. He presents us with life-like portraits of IRAAC BUTT, JOHN MITCHELL, JUSTIN MCCARTHY, SEXTON, DAVITT, DILLON, BIGGAR, and other braye and true men. He writes well and never wanders off on side issues, and though in his earlier chapters he has to go over old grounds, he always keeps clear of worn-out tracks. Those who want an answer to the question: Will the Home Rule movement succeed? should not fail to read this book.

The Bennett Furnishing Co., of London, Ont., make a specialty of manuracturing the latest designs in Church and School Furniture. The Catholic Clergy of Canada are respectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of Pews in the Brantford Catholic Church, and for many years past have been favored with contracts from a number of the Clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a branch office in Glasgow, Scotland, and we are now engaged manufacturing Pews for new Churches in that country and Ireland.
