clined to remain here, if any hon. gentleman often reluctant to impose so heavy a fine.

Mr. Marshall believed that he voted to send these people away; but it was on the recommendation of their countryman the member for Lu-

Mr. Zwicker replied that he had consulted with all of them in their own language, and had and bridges :found that they had great distate to remain here. Many female servants were wanted in this country, but they would not stay. Four or five mechanics' he had induced to remain-who were settled in Lunenburg county, and were doing

The correspondence relative to the dismissa of Mr. Geldert from the office of Postmaster at Windsor was read, upon which a spirited debate took place, the Hon. Mr. Johnston and Mr. Marshall taking part against the Government and the Attorney General, the Solicitor General, Mr. Wier and Mr. Wade defending it. SATURDAY, Feb. 10.

Mr. McQueen presented a petition from Mr. Brown and others, at Sydney Mines, complaining of irregularities in the mail communication: Also, a petition from the inhabitants of counties of Cape Breton and Richmond, praying that no alteration be made in carrying passengers. Hon. Prov. Secretary, by command, laid on

the table of the House a return of all the Commissions for Militia Officers issued, and the fees Hon. Prov. Sec., by command, laid on the

table the Report of the Trustees of the Pictou Academy for 1854, with the visitors report, which documents were referred to the Committee

Hon. Solicitor General introduced an Act to amend the Act concerning Prothonotaries, and Clerks of the Crown These persons are not now remunerated for services they perform as Clerks of the Crown; and the object of this bill is to permit each to retain £10 out of the third which he is now bound to pay into the Treasury -or so much as that third shall amount to when below £10, in payment of services so performed. Leave was granted, and the bill read a first time. Mr. Moore presented a petition from the inha-

bitants of Kings in favour of vote by ballot. Mr. Marshall expressed his high satisfaction at the introduction of this petition.

Mr. Moore received leave to introduce a bill in accordance with it

Mr. Annand said that if anything was to be done with the representation, his old bill ought to be revived to have an equalization of the representation throughout the Province.

Mr. Marshall was very happy to hear the remark of the hon. member for Halifax, and would give his cordial support to any improvement in our representative system.

Mr. Marshall asked hon. members of government whether they intended to introduce any measure on the general education of the country?

attempt a change in the present system. Hon. Attorney General said that the House ness, without the introduction of a general measure for Education. There was the Chancery question-that of the mines and minerals, and others, which would occupy the whole time of did not intend to introduce and he hoped that 120 vessels-25,690 tons.
