## SECOND HAND ORGAN FOR SALE

Having built a new organ for St. Paul's Church Halifax, N.S., an account of which appeared in the "Canadian Churchman" of January 14 the organ which has been superseded is now for sale. Built by Bevington, of London, England, and can be made to do good service for many years to come.

It will need some going over to make the tone qualities as good as new, and such work may be added to suit minimum or maximum amount the purchaser may desire to expend upon it.

The price asked for the organ is the same as was allowed St. Paul's, with net expenses added in this connection up to the present time.

The charge for such new work as may be required will be the actual amount expended for repairs with an added percentage of 15% which will not be calculated on the amount allowed St. Paul's Church for the organ.

LATER, FEBRUARY 9th, 1909

Should anyone want this organ at a price suitable to their means we will be glad to have them communicate with us, and let us know about what they could afford to pay for same, which communications will be carefully considered, as any reasonable offer will not be refused.

## Dr. Denney's "Jesus and the Gospel."

DR. DENNEY'S new book, "Jesus and the Gospel," is the most important contribution that has been made to theology for many years. It must arrest the attention of all who seriously care for religion. Not only those who teach Christianity, but all who think about Christianity in its intellectual aspect may be referred to it as by pre-eminence the rankest, the blest, and the most conclusive treatment of the central problem which is anywhere to be found.
