

Canned Where Caught.

The "Thistle" Brand of Canned Haddies, Kipperd Herring, and Herring and Tomato Sauce are canned right where they are caught—at the water side. How better could you preserve the natural richness and delicate flavor of the fish? **Impossible!**

But that is not all, because Captain Austin has the unequalled skill of a life-time of experience. **There is no dirt or slime—no uncleanness to be found in the "Thistle" Brand.** The reputation of the foremost fish-curer in the country is at stake under the label of the "Thistle" Brand. **Buy it and you buy the best.**

Bottled in England.

Macurquahart's Worcester Sauce is bottled where it is brewed—in England. It matures for many months in the vats before it is ready for the bottles.

The fact that it is not brewed in a hurry, to sell in a hurry, and that unremitting care is exercised at every stage of the brewing, gives it a richness, a full "body" and strength that makes it the most economical sauce your customers can buy.
