A Cause of Indigestion

People Who Complain of This Trouble Usually are Thin Blooded.

This blooded people usually have stomach trouble. They seldom recognize the fact that thin blood is the cause of the trouble, but it is.

Dr. Williams' Pink Pills for Pale People. This blooded people usually have stomach trouble. They seldom recognize the fact that thin blood is the cause of the trouble, but it is.

PLEURISY PAINS VANISH! CHEST COLDS CURED!

Nervilline Has Never Failed To Cure.

Don't suffer! Nervilline is your relief. Nervilline just rubbed on, lots of it, will ease that drawn, tight feeling over your ribs, will destroy the pain, will have you smiling and happy in no time.

"I caught cold last week while motoring," writes F. T. Mallory, from Linden. "My chest was full of congestion, my throat was mighty sore, and I had the fiercest stitch in my side you could imagine. As a boy I was accustomed to have my mother use Nervilline for all our minor ailments, and remembering what confidence she had in Nervilline, I sent out for a bottle at once. Between noon and eight o'clock I had a whole bottle rubbed on, and then got into a perspiration under the blankets. This drove the Nervilline in good and deep, and I woke up next morning fresh as a dollar and absolutely cured. Nervilline is now always part of my traveling kit, and I will never be without it."

The large 50c. family size bottle is the most economical, or you can easily get the 25c. trial size from any dealer.

BEES AND BULLETS FOR LANCA-SHIRE.

Recent despatches from East Africa give us clear conception of the many difficulties confronting the British fighting forces there. We now read of an ingenious German ruse which enabled them to trap our soldiers. The natives have a device whereby they place hollow logs up in the trees to enable the bees to construct their hives and from these the natives collect the honey.

In one place the Germans tied a whole lot of these logs together, and attached them to a wire in the long grass. They also invented a device which caused a white flag to jump up above the grass when anyone came in contact with the wire, this being the signal to them to turn a machine gun on to that spot.

A party of Lancashires had the ill-luck to stumble over that wire, with the result that dozens of the bee hives fell to the ground, and up sprang the white flag, revealing their whereabouts to the enemy. The poor Lancashires immediately had bees and bullets to contend with, and between the two they had a hot time.

PROMINENT IN F. A. P. B.

At the recent meeting of the Grand Lodge of the Protestant Association of Prentice Boys, held in the city of Belleville, Gananogue Lodge, No. 6, received many honors. It speaks well for the work being done by the local lodge that one of its members, Mr. Geo. B. Haynes, was re-elected Grand Master, and that three other members were elected to positions of responsibility.

Too much cannot be said in praise of the work of the present W. M. of No. 6, Mr. Henry Smith. It is largely through his fidelity and energy that the lodge has won so prominent a place among the lodges of the Dominion.

Mr. Smith is an enthusiast for the principles embodied in every branch of the Orange order. He was elected Grand Chaplain at the Grand Lodge at Belleville, and is also W. M. of Lodge No. 6, Chaplain of Protection L. O. L. No. 51, and Ex-Commander in command of the Scarlet Chapter. In the history of the Protestant Association of Prentice Boys, it is very unusual for one member to hold so many important offices, and Lodge No. 6 is to be congratulated on having a leader of Mr. Smith's calibre.

Messrs. W. H. Clark and E. J. Ryan were elected Grand Outside Tyler and D.D.G.M. respectively, making four G. L. officers from Gananogue Lodge. —Gananogue Reporter.

LEUT. ARNOLD ADAMS NOW AT FRONT IN FLANDERS.

Leut. E. Arnold Adams, son of Lt. Col. Adams, who went overseas with the 39th Batt. has been transferred to the 14th Royal Montreal Regiment, First Division, and has been sent to the front in Flanders.

Leut. Adams has been for some months at Shorncliffe, where he was on the permanent instructional staff. He has been endeavoring to secure an appointment at the front ever since he arrived in England and has at last secured his wish.

Lt. Adams enlisted with the 39th Batt., C.E.F., over a year ago and has been in England for some time. —Picton Gazette.

CORDOVA MINES

The power plant of the Cordova Gold Mines at Deer Lake is being remodelled so as to operate the mines and mills by electricity instead of compressed air. The change should prove a wise one and insure sufficient power to operate the concern at its full capacity.

SUCCUMBED TO LONG ILLNESS

Wesley Hawkins, Deputy Reeve of Rawdon Died on Sunday At His Home.

Wesley Hawkins, deputy reeve of Rawdon township, died on Sunday after a lengthy illness. He was about 59 years of age and was born in the 3rd concession of Huntingdon, being a son of the late John Hawkins. He was a graduate of the Brantford Collegiate Institute, obtaining a certificate and teaching school for one year in Huntingdon. He then went farming for a while in Huntingdon.

He was three times married, the first two being sisters, the Misses Montgomery, the third who survives, was a Miss Robinson, of Ameliasburg township.

On his marriage he removed to Rawdon in the third concession of Rawdon and took up farming.

He was a Methodist in religion, a Conservative in politics, a member of the Orange Order, and of the I.O.F. Surviving besides his widow are his daughter, Mrs. Roy Heath, of Girvin, Sask, and two brothers James, of Stirling and William of Girvin, Sask.

The late Mr. Hawkins occupied a prominent position in Rawdon, being a member of the township council for many years. He was elected deputy reeve when Mr. Robert Cook, the reeve became M.P., and Mr. Thomas Montgomery took the reeve'ship. In the county council he took a firm and fearless stand in every discussion and he was awarded offices of importance to the gift of the council.

His last visit to the council was about three weeks ago. He came to Belleville in a car and took his seat at the June session for a short while. The reeves and deputies welcomed him for they knew that he had not long to live. So great had been his desire to be with the council friends again, that although he knew it was a severe tax on his strength, he undertook the journey. He resigned from the auditorship and council post on record his best wishes for his ultimate recovery.

TRYING TO PREVENT WIVES LEAVING HOME.

The Peterborough Patriotic Fund Committee is trying to stop wives of soldiers from following the 33rd Battalion to Kingston. It publishes a letter from Lieut.-Col. Johnson, commanding that unit at Barriefield camp, asking the committee to advise wives not to move from home, as they would see little of their husbands, and as the battalion would soon be moving to another camp. Wives may suffer the loss of patriotic fund grants from the Peterborough committee if they persist in following their husbands, as when they leave home it is necessary to transfer them to the branch where they take up their new abode.

FORMER WAVE PRISONER NOW CAMP INSTRUCTOR.

Lieut. S. Young, 155th Battalion, has been appointed to the School of Machine Gunnery at Barriefield. Lieut. Young has had experiences which would do any other returned officer who has been through a part of this campaign. He went overseas with the first contingent, was taken prisoner in Germany, and after many months was released, being considered unfit for further service.

In the battle of Ypres his hand was wounded, and by careful work he was able to deceive the medical officers to the extent of making them think that paralysis had set in and the whole side of his body was useless. This ruse was successful, and he was exchanged. In England careful nursing brought the arm around until only a slight defect in his hand is noticeable. He is a splendid instructor, and will be a valuable addition to the Machine Gun School.

PLANTS FOR TRENTON.

The Courier understands that Trenton is at last to be blessed with some more manufacturing plants and that an agreement has been signed up for the establishment of the Canadian Plant of the Benedict & Proctor Silverware Co. Negotiations are also under way with the Ford and Featherston Sate Co. and another firm of Electric Specialty manufacturers, whose name has not as yet been divulged for the establishment of their Canadian Plants at Trenton and from the present outlook things are very favourable. If these plants are all obtained the future of Trenton looks very bright and the present Mayor and Councilors are to be congratulated on the able manner in which they are upholding the confidence placed in them by the electors by at all times keeping Trenton's interests first.

TOOK IN TOO MUCH TERRITORY.

On Monday a big six-foot drunk crested quite an excitement on King street, being on the strict lookout for trouble. When he arrived at the Bank of Nova Scotia corner he could hok any man in town, and after a short excursion into the Dominion Bank he reconsidered his former challenge and offered to lick any man in the country. Nobody accepted his little challenge until he ran into Constable Campbell and Crosskey, and he tried to trim the two. After Constable Campbell had placed a "copper wrist watch" on the drunk, he was taken to the cells, and next morning was turned over to the 235th Battalion as a deserter.

DIED.

McLAREN.—In Belleville on Sunday July 2nd, 1916, Alexander J. McLaren, aged 56 years.

Beautiful White Voile Waists and Dresses

White Waists \$1.50 to \$4.50 White Dresses \$4.00 to \$16.50 Never have we shown such a variety of styles in White Voile Waists, and certainly never such values. Our methods are those proved by experience to be productive of the most satisfactory results. And we use no drugs. Angus McFee

ANGUS McFEE

PRINCE EDWARD ROY KILLED Another Prince Edward County boy in the person of Private Arthur Young, has given his life on the battlefield. The news of his death came by telegram to his father, Mr. George Young of East Lake on Saturday last. No particulars as yet have been received except that his death occurred on June 2nd. It is therefore altogether probable that he lost his life in the recent battle at Ypres.

GOES TO NEW CHARGE Rev. Douglas Mounter preached his farewell sermon last Sunday on the Crosses Circuit. Greasy Circuit will be in charge of the Rev. J. R. Coleman, President of Ladies' Aid, Roblin's Mills Methodist Church, six pillows, press.
