WAS THE FIGHT A FAKE? Charge Is Made, But Does Not Meet With General Belief.

SAN FRANCISCO, July 26.—There is 1 - the wide difference of opinion in this city as to the character of the Jeffriesripped Fitzsimmons fight. The charge that the the fight was a fake does not meet with general belief, although there is no doubt that Mayor Schmitz was warned that the fight would end in the eighth round. Even those who charge fraud accon-admit that it was a magnificent fight anced while it lasted. Fitzsimmons was hitocates ting Jeffries almost at will, but while intent his blows struck they did not seriously on of a when seen this morning, was apparent-

ly much distressed at the charge of

fraud. He declared that he had fought

Jeffries' body blows. Jeffries also de-

ear is no his best, but that he could not stand

nies that the fight was fixed. He said ever, the Fitzsimmons gave him the hardest fight w idea is he ever had. His face was sore today, but otherwise he was feeling well. The trainers on each side resent any charge of crookedness, but the fact remains that information was given nezuela's Naughton of the Examiner, the day before the fight, that it would end in the eighth round. Naughton's information came from some one who was with Jeff-26.-The ries at Hardin Springs. Bets should be the folmade on Jeff to win in the eighth, that nmander was said, but notwithstanding this there

> of the wagers made here being small. FITZ BURSTS INTO TEARS. SAN FRANCISCO, July 26.-Concerning the charge of "lying down" in the fight fast night, Bob Fitzsimmons today made the following statement: "Had I been a fakir I could have made a fortune. If I had been accused of faking my last fight there might be some ground, but just here I was to make a last stand to retire from the ring forever. I was offered in my fight with fered \$100,000 to go out to Sharkey. But Ore Concentration, Limited, a company plant, not only are all float losses (more have always been square. I fought ast night the last fight of my life. within the Dominion of Canada.

was no evidence of heavy betting, much

punished Jeffries as I never punished most inexhaustible quantities of low man before. I split his ear, I broke his nose, I cut his face, and to say that grade ore in this camp only awaiting some suitable process of concentration I was faking—' And Fitzsimmons, unable to restrain a perusal of the claims of the comhimself, burst into tears. pany will be interesting:

Fitz did not leave his bed until a late hour this morning. He complained of his left arm hurting and a severe pain slime or float mineral, free gold, sul- the balance of values. The total saving under his chest, the result of Jeffries' terrific body blows. Fitzsimmons declares he is ready 'o

To defend Fitz from the accusation is to defend the principle in the greatest pugfistic encounter the world has ever seen. I think the story s the brightest feather in Fitz's wing. It has had the effect of making me warm supporter of a man I never liked, and I venture to say it will have the same effect on the minds of others. Even the spectators do not know what a bad fix Jeffries was in. His cheekbone was laid open and he had a bleeding, broken nose, the blood from which

ran down his throat, preventing him from breathing. "These were not the things we feared first. One of his eyes was cut between the evebrow and the eyelash, and we were afraid that the flap of the eye would fall and blind him. His other eye was also 'blown out' for a moment. I think Jeffries demonstrated he could take as much as he could give. People near the ring will agree with me in tration, and very imperfectly accom-

THE MAYOR TALKS.

"Later the mayor made the follow ing statement in regard to the fight: "I saw the exhibition, and up to the time the blow that settled the fight was struck it seemed to be a fair and ereditable fight, but at the me the blow was delivered by Jeffries, Fitz appeared to be entirely off his guard.

"Perhaps so much stress would no be placed on this fact were it not for the information given to me on the night before the exhibition, that the contest would end, and in favor of Jeffries, in the eighth round.

"I am loath to believe that the pro moters of this exhibition were in a conspiracy to defraud the public and elieve that they know nothing at all of a prearranged affair."

DOWN AN EMBANKMENT.

Mishap to Passenger Train—Many Killed ed and Injured.
