REDUCED RATES OF PREMIUM—HALF
CREDIT RATES OF PREMIUM.

THE great and decided success, which has attended this Institution, has induced the Directors to REDUCE THE PREMIUM.

The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at much lower Rates of Premium than those of any other Company.

This Reduction has also resulted to extend to British North America the advantages afforded by the HALF CREDIT RATES OF PREMIUM which have been obtained by our Friends in the United States.

The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their Interest in their respective Policies.

ERASMIUS R. FOSTER,
Resident Director.
