LIBERAL SEATS ARE IN DANGER

McKay's Maj. in North Grey
Reduced to 4 and Re-count
Only Half Finished.

Russell's Majority in East Hastings
Also Pulled Down—Lennox
Appeal on Saturday.

Owen Sound, Ont., June 10.—The re-count for North Grey, before Judge Morrison was adjourned at 6 p. m., to be resumed at 8 p. m. to-morrow. McKay's Liberal majority was reduced from 9 to 4. About one-half of the poll is yet to be gone over. The re-count will not be finished until to-morrow.

EAST HASTINGS.

Belleville, Ont., June 10.—At the close of to-day's session of the East Hastings re-count, Mr. Richardson, the Conservative candidate, had gained six votes—ballots which had been disputed, and which the judge allowed. Mr. Russell, Liberal, gained two of the same kind, leaving Russell's majority thus far 49.

THE LENNOX APPEAL.

Toronto, June 10.—The Lennox re-count appeal will come before Mr. Justice MacLennan at Osgoode Hall on Saturday. Both sides appeal against the judge's rulings at Naperville. For the Conservatives, Mr. W. D. McPherson appeals in the case of seven specific ballots, and for the Liberals, Mr. Geo. H. Watson, K. C., appeals against the result of the re-count generally.

One ballot has a line across through the cross which is marked for Carscallen's compartment. It was not counted for either. Another had a circle in Madole's compartment. It was allowed him. There are two other ballots one with a cross for Carscallen and something like an "M" to the left of Madole's name. It was disallowed, as being a mark of identification. The other also had a cross for Carscallen and one through Madole's name and a short wavy line in Madole's compartment. It was also disallowed. Another has the initials M. C. in Madole's compartment and a cross for Carscallen.

NO RECOUNT IN SOUTH PERTH.

Stratford, June 10.—The Conservatives have withdrawn their application to Judge Barron for a re-count in South Perth. The application was made on Saturday, but the advisability of such a proceeding was evidently reconsidered, the re-count has been called off. A protest is impracticable.

TUDHOPE'S MAJORITY, 447

Orillia, Ont., June 10.—The official declaration for East Simcoe has been made to-day, declaring J. B. Tudhope, Liberal, elected by 447 majority.

MISCAMPBELL'S MAJORITY 169
Sault Ste. Marie, Ont., June 10.—The official returns of Sault Ste. Marie election are—Miscampbell, Con., total, 1,359; Smith, Lib., total, 1,190. Majority for Miscampbell, 169. No official returns as yet from Algoma.

LEAVING LONDON

Mr. J. M. McWhinney, (formerly of this city) secretary-treasurer of the Synod of Huron, has tendered his resignation, and will shortly remove to Toronto, where he has secured the very responsible position of assistant manager of the Union Trust Company. This step on the part of Mr. McWhinney will be regretted by his friends in London, where he is many—for during his twelve years' residence here he has become exceedingly popular. Mr. McWhinney succeeded Mr. E. Baynes Reed on the 1st of January, 1901, and has filled the position with the greatest satisfaction to the Synod. He has also been pastor of Huron College for nine or ten years.

The resignation will be placed before the Synod at its annual meeting next week, and Mr. McWhinney will ask to be relieved at an early date as possible. The Union Trust Company of which Hon. George E. Foster is general manager, is one of the largest concerns of its kind in Toronto, and his selection for the assistant manager position speaks well for the ability of Mr. McWhinney.

Since his removal to London from Chatham, Mr. McWhinney has taken an interest in several branches of sport, and particularly in curling. He is one of the most prominent members of the Forest City Club, and for two years has occupied the position of president.—London Free Press.

It has been learned in Chatham that Mr. McWhinney assumes his new duties, on July 1. His success will be a source of satisfaction to his many Maple City friends, with whom he is deservedly popular.

Mr. McWhinney is well qualified for his new post in one of the strongest financial institutions in Toronto, Matthew Wilson, K. C., of this city, is a prominent member of the Board of Directors, and it was largely through his influence that the appointment was made.

SIGNS OF PEACE

London, June 10.—The correspondent of the Times at Bloemfontein, says that surrenders in the colony are proceeding satisfactorily.

One of the first signs of the era of peace is the removal of the barbed wire fences between the blockhouses which is going on everywhere. These rolls of wire will doubtless be given at a valuation to the Boers to replace their fences.

The correspondent hopes the blockhouses, especially the stone ones, will not be destroyed, as they are quite a feature of the landscape, like the great towers of Scotland and Martello towers on the south coast of England, and the historical monuments worth preserving.

WOMAN'S SHOT

Aged Colored Pensioner in Serious Condition—Woman Locked up.

Detroit, June 11.—"If dat ole man keeps on foolin' me I'll send his soul to h— befoh 10 o'clock to-night," is said to have declared Martha Scott yesterday morning. She showed later on that she was in earnest. Frederick Dennis, an aged pensioner, also known as Henry Harrison, lies at Harper hospital in a precarious condition, with a 32-calibre bullet lodged somewhere in his abdomen. Both are colored people.

The quarrels of this oddly mated pair have been the talk of the neighborhood about their home at 62 1-2 Livingstone, avenue, yet an absurd attachment seems to have kept them together. Harrison is a widower of 68, with several married daughters, while Martha is 49 and has a grown up son.

They live in the east half of a rickety frame structure, the other apartments being occupied by the family of Henry Johnson. The latter said he heard the sound of fighting early in the evening and that while at supper he was startled by a pistol shot.

Hastening out the front door he saw old Dennis at the gate with his hand pressed against his side.

"That woman has shot me," gasped the old man, "run and get a doctor." He failed to find a physician and when he returned Dennis was sitting on the steps of a neighboring house. A little later an ambulance arrived and he was removed to the hospital.

WOMAN WAS CAPTURED.

Martha had skipped out the back way and was captured by Patrolmen "Glewitzer and Graus, on Brady street, between Beaubien and Antoine. She was headed for the home of her son, Edward Scott. She was taken to the Fremont station, and a little later to police headquarters.

"I did it," she declared, "and I don't deny it. He threatened me and struck me in the face." She had apparently been drinking.

The weapon, a fine up-to-date double-action gun, was found on the floor of her home. The woman said she had owned it so long she couldn't remember where she got it. It contained two empty shells, but on eof which had been freshly discharged.

Marilda Lightfoot, a daughter of Dennis, living at 95 Illinois street, stated that last Sunday when her father was visiting at her home, Martha had besieged the place with a revolver, during the old man's comment, and threatening to blow his brains out.

The woman is locked up at police headquarters and at present the charge against her is assault with intent to kill.

WILL BE DROPPED.

London, June 10.—In the House of Commons yesterday Geo. Wyndham, Chief Secretary for Ireland, expressed the opinion that it would be inadvisable to proceed to the second reading of the Irish Land Bill unless there was a good prospect of getting it passed in the course of the present session of the House. This expression from Mr. Wyndham is indicative of the intention of the Government to drop the Irish Land Bill altogether, especially as an inspired statement to the effect that the Government is endeavoring to dispense with the autumn session of Parliament has been issued. John Redmond, the leader of the Irish party in the House, has called a meeting of his party for to-day to discuss Mr. Wyndham's statement.

THE COAL STRIKE.

New York, June 10.—This afternoon Commissioner of Labor Wright had a two hours' conference with President Baer, of the Philadelphia & Reading Railway; President Oliphant, of the Delaware & Hudson Co., and President Truesdale, of the Delaware, Lackawanna & Western. Mr. Wright said that the books had been opened, and he had secured all facts and figures, and now had sufficient information of both sides, which would probably not necessitate his going to the coal fields. He declared the investigation as practically over. He said he expected to spend the evening with friends, and would hold no conference.

HON. S. H. BLAKE GIVES REASONS

For Voting Against the Ross
Government and Supporting
Mr. Foy.

Lost Confidence in Ross & Co.
Owing to way They Dealt
With University Question.

Toronto, June 10.—The statement of Mr. J. P. Whitney in an interview published a week ago, that Hon. S. H. Blake and other prominent Liberals had voted for Conservative candidates in the recent general elections, has caused much comment throughout Ontario, where for many years the name of Blake has been synonymous with that of Liberalism. No doubt has been cast on the assertion, as it was known that Mr. Whitney would not have made the statement without the best of authority.

It will interest many to know, however, what Mr. Blake's reasons were for supporting Mr. J. J. Foy, K. C., M. P. P., in his own particular riding of South Toronto.

To your correspondent to-day Mr. Blake gave the following statement, which is at once terse and convincing, as his utterances always are:—"The reason that I voted for Mr. Foy and against the Government was because of the manner in which the Government dealt with the university question and because one of the principal departments was so conducted as to destroy confidence in a Government responsible for its administration."

WERE MASSACRED

London, June 11.—The Vienna correspondent of the Daily Express says in a despatch that a report has reached there from Constantinople to the effect that Arab tribesmen have massacred a caravan of wealthy merchants in the desert at a point 100 miles from Koweit, in Asiatic Turkey. According to the Constantinople report, only twenty persons of the 500 who composed the caravan escaped.

CELEBRATION

At a meeting of the colored citizens of the County of Kent, at Nazary Hall, on Tuesday evening, it was decided to appoint a committee to make necessary arrangements for the holding of a celebration in this city on August 1st, and the following were appointed to complete the necessary arrangements:—David Lee, Geo. Smith, W. F. Williams, Jas. Jackson, J. B. Johnston, Hy. Lawrence, W. Branton, Jas. Brown, Robt. Dolman and John Cephas. C. M. Cooper was appointed chairman and John A. Bell secretary.

HAVE SURRENDERED.

Colon, June 10.—The Colombian Minister of War has sent a circular to the Departmental Governors of the country, in which he says that after the recent Government victories over the Liberal forces more than 200 officers of the Liberal army, ranking from general down to sub-lieutenant, and more than 2,000 Liberal soldiers, have accepted the conditions imposed by the Government and surrendered. The names of all these Liberals have been published.

IN THE FRENCH CHAMBER.

Paris, June 10.—In the Chamber of Deputies to-day, after a speech by the President, M. Bourgeois, on assuming the presidency, the Premier, M. Combes, made the ministerial declaration. It was on the lines of the synopsis cabled June 7, and was received in silence by the Moderates and Right, while by the Radicals and Radical Socialists it was warmly applauded. The Chamber decided to discuss the interpellations on the Government supplementary Thursday, and adjourned.

COLLISION AT CURVE

Macon, Ga., June 10.—A southbound passenger train on the Southern Railway, proceeding out of Juliet, 23 miles north of Macon, and under full headway, was struck by a freight train on a sharp curve at 2:10 o'clock this afternoon. Aboard were many passengers coming to attend the state convention, and a number of other well known men. The curve was so sharp that the passengers saw the approaching freight, and a panic developed instantly. The shock of the collision was so great that seats were smashed into splinters and glass into fragments. The engines and tenders were piled on each other. Engineer Pittman, and Fireman Ed. West, of the passenger train, were pinned in their cab and killed. Engineer Galleys, of the freight, escaped death by jumping, but he was seriously injured. Galleys says his watch was wrong, and he thought he had time to reach the Juliet siding. The dead:—Jas. T. Pittman, of Atlanta, engineer of passenger train; Ed. West, negro, of Atlanta, fireman. The injured numbered nineteen.
