WANTED.—1 doz. spring pullets, alive, for which cash will be paid. Apply at this office.

CALDWELL & MURRAY have just received a nice line of Canadian Prints in twelve patterns.

Our thanks are due to the Grand Scribe, S. of T., for the yearly report of that body, for 1884.

Any person wishing to purchase American Top Buggies will learn something to their advantage by enquiring at the White Rock Post Office.

R. D. G. O'Leary.

The united weight of the Inside and Outside Sentinels of Evangeline Division, S. of T., Lower Horton, is 515 lbs. The Division ought to be well guarded.

We are pleased to learn that Capt. W. A. Curry, of Horton Landing, who has been very ill with inflammation of the lungs, is slowly improving and is now considered out of danger.

PROPERTY CHANGES.—Mrs. Coffin has sold her place to Mr. Thomson, of Halifax. Rev. Mr. Day (Methodist) has bought the Cowan property, formerly owned by Mr. Jas. Elder.

We will send the ACADIAN and the *Hearthstone, Farm and Nation*, a first class monthly Agricultural Journal, for only \$1.00 per year in advance, the usual price of the *H. F. & N.* alone.

PERSONAL.—Our genial friend, Mr. E. G. Woodworth, left here on Tuesday en route to St. John, where he has been offered a situation in the hardware firm of Hayward & Co. of that city. We wish him success.

Why pay six or seven dollars for making a suit when you can get a better fit and better made at Caldwell & Murray's for little more than the price of the cloth. Their overcoats are the best fitting in the market and wonderfully cheap.

FANCY SKATING.—An exhibition of fancy skating was given by a local amateur at the Rink on Wednesday evening. Some very difficult evolutions were performed, eliciting great applause from the spectators present. Those who won prizes last year must look to their laurels at the coming tournament.—Com.

We would call the attention of our readers to the adv. of Mr. Jas. Wilson in another column, of house and orchard to let. This is a very desirable place and persons wishing to rent would do well to inspect it before making other arrangements. Also to the farm of Mr. F. Rathbun, of Lower Horton, which he wishes to sell.

Wolfville Division S. of T. has extended an invitation to "Evangeline" Division, of Grand Pre, and to "Maple Leaf" Division, of Greenwich to pay them a fraternal visit next Tuesday night. A good time is expected. Any members of other Divisions who may be in the village on that evening are cordially invited to meet with them.

Rev. J. Williams has been holding a series of meetings at the White Rock Baptist Church during the last week. Some interest prevails and the attendance good. As pastor of this Church he is much appreciated and his earnest appeals and practical discourses are conducive in awakening a religious interest among the people. It has been decided to continue the meetings another week.—Com.

An exciting fox-chase took place on the Grand Pre Dyke on Saturday last, which resulted in the death of Reynard after a run of about two hours.

RINK.—We are informed that Mr. Munro intends furnishing a treat this evening to the patrons of the Rink in the way of a musical programme of violins and cornet. As we are unable to have a band of music in the Rink very often it will no doubt be well patronised to-night.

People are finding out every day that the merchant who gives long time must get long prices. Caldwell & Murray sell for cash or its equivalent and the people save money by buying from them, because there are no bad debts to be made up.

Dec 12

We regret to have to record the death of Miss Emma Bowser, daughter of J. B. Bowser, esquire, of Grand Pre, which occurred on Saturday last. Miss B. was a general favorite, and her death will be much regretted by all classes of the community in which she lived. We tender her bereaved parents our heartfelt sympathy.

According to Belcher's Almanac, there are in Nova Scotia, 265 lawyers, 298 doctors, and 468 clergymen. According to this statement every hundredth full grown man in the Province is engaged in one of these professions, one in a little over two hundred being a clergyman. The number of clergymen belonging to the different denominations is substantially as follows: Presbyterian, 115; Methodist, 94; Baptist, 83; Church of England, 81; Roman Catholic, 81; African Baptist, 9; Lutheran, 4.—*Halifax Herald*.

We have received the "American Agriculturist Family Cyclopaedia," the premium given by the *American Agriculturist* to each subscriber for 15 cents in addition to subscription price. It is strongly bound in cloth and gilt, contains 700 pages and over 1,000 engravings, and is alone worth fully the price charged for the *Agriculturist*. We will be pleased to show it to any person who would like to inspect it, and will club the *Agriculturist* (with premium) and the ACADIAN for only \$1.90, in advance, or without premium, for \$1.50.

Prof. J. P. Tuck, of the R. R. Palace Photograph Car, has placed with me for collection, all accounts due them for pictures taken in Kentville and Wolfville. All persons thus indebted will take due notice and govern themselves accordingly.

J. B. Davison, J. P.

JOURNALISTIC.—We have on our table this week a new paper, bearing the heading, *Windsor Courier*, and hailing from Windsor, Hants Co., N.S. The editor and publisher is Mr. T. B. Smith, ex-M. P. P. The *Gourier* makes the usual judicious announcement that it is to be political without being in the interests of either party. While we feel sure that Mr. Smith is a man who will try to view things impartially, it is no more than reasonable to suppose that his paper will lean very strongly towards the Liberal party. We wish him every success and hope some day to see two of his pet schemes while an M. P. P. and which we expect to see him advocate strongly in his paper, become facts. We mean a Maritime Union and the Hants Central Railroad.

The annual meeting of the N. S. Fruit Growers' Association will take place at the Court House, Kentville, on the 10th and 11 Feb., beginning at 10 o'clock a. m. All persons interested in fruit culture are invited to attend and take part in the discussions and become members of the Assn., also to assist in supplying the "Question Book" (by sending the Sec., C. R. H. Starr, Esq., previous to the 10th) questions calculated to draw out information upon any subject relating to fruit growing. A full programme will be published previous to the meetings. Excursion return tickets will be issued from all stations on the W. & A. R. to Kentville on the 10th & 11th, good to return on the 12th; and arrangements have been made with most of the hotels for reduced rates.

## EUREKA.

Found! a Plum Tree that will not Black Knot!

The **Masters Plum Tree** has stood the test 40 years in Kentville, King's County, Nova Scotia. Chas. A. Masters, of Kentville, found this tree growing on lands now owned by Judge G. A. Blanchard forty years ago, and removed the tree to his garden in the village, where it now stands a healthy bearing tree, and is now owned by me. There are scores of trees throughout the village in bearing from 4 to 20 years old which bear every year, and not a vestige of black knot appears on one of them. The tree is an annual bearer of rapid growth, growing tall not spreading. The Plum is quite large, purple color, and of excellent quality. It is the best preserving plum grown, and sells higher than any plum brought into the market. Last year, while the crop was immense, this plum readily brought \$3.00 per bushel, \$1.00 more than any other variety offered for sale. We have several hundred first class trees to offer for the spring planting and intend to plant 6,000 root grafts here. That this is the best and most profitable Plum Tree to plant that is grown in the Dominion of Canada, and that it will not black knot, we refer the planters of this delicious fruit to F. S. Masters, Barrister, of whom we purchased the original tree; also to Chas. A. Masters, G. A. Blanchard (Judge), J. B. Blanchard, H. B. Webster, M. D., J. E. Mulloney, M. D., Otho Eaton, John Hyme, T. E. Smith, J. A. Shaw.

Dr. George Thurber, for nearly a quarter of a century the editor-in-chief of the *American Agriculturist*, Joseph Harris, Byron D. Halsted, Col. M. C. Weld, and Andrew S. Fuller, the other long time Editors, together with the other writers who have made the *American Agriculturist* what it is to-day, ARE STILL AT THEIR POSTS.
