\$200,000 Worth of Quality Merchandise

To Be Cleared at Prices No Other Stores Can Attempt

The order to clean up every stick and pin of seasonable Summer Goods has been splendidly responded to by every department with an array of values that must appeal to every wise buyer in this vicinity.

The Program of Great Sale Values arranged for the first days of this mighty selling event eclipse all previous offerings in past years. The high grade goods for which this store is justly famed, new, fresh and perfectly correct from every viewpoint are involved.

Value and Cost Are Lost Sight Of

The Most Sweeping Reductions Ever Made at This Busy Departmental Store Will Be Shared In By Its Thousands of Customers

Half-Price and One-Third Of Regular Prices Will Be Common Money Saving Opportunities

Bargains Unusual Will Hold Sway at This Annual Eagerly-Waited For Mid-Summer Clearance

Preparations are now under way whereby this sale will attract many thousands more people than have ever attended a similar event. Orders scarcely covering the cost of materials have been placed with makers during dull seasons—every possible chance to secure special purchases have been sought after—nothing that would in any way add to the attraction of this bargain feast has been overlooked.

**This Is Your Opportunity to Save On the Low Prices That Prevail In Our Cash Grocery Dept.—
To Save on Many Leading Lines In Our New Crockery and China Dept.**

The Housewife's half-yearly chance to buy her household linens and save 20 to 30 per cent on staple goods of sterling worth.

It's the chosen time with many men and women to choose seasonable apparel for immediate and future needs—a time when there's royal savings for everybody.
