"August

troubled with Indigestion, and when-ever I am, I take one or two tea-spoonfuls before eating, for a day or two, and all trouble is removed."

Safe, Sure and Painless Safe, Sure, and Palpless.
What a world of meaning this statement embodies. Just what you are looking fe is it not! Pateam's Painless Corn Extraction—the great sure pop-corn cure—acts it this way. It makes no sore spots; safe acts speedy and with certainty; sure and mildly, without inflaming the parts; painlessly. Do not be imposed upon by imitations or substitutes.

Everybody Sing, There is a happy land, Far, far away; Where woman hatless go To see the play

dispelling colds, headaches and fevers and permanently curing constitution. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kid-neys, Liver and Bowels without weakevery objectionable substance.
Syrup of Figs is for sale by all drug-Syrup of Figs is for saie by all drug-gists in 75c, bottles, but it is manu-factured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not socept any substitute if offered.

he gave promise of a useful and highly successful career. His bussines ventures were almost invariable crowned with success and money flowed into his coffers. Other men in business envied him. But his very success proved the cause of his downfall. He soon became completely engrosed in his business operations to the excusion of social pleasure, recreation and even the pleasures of home. But presently his friends began to note a singular change in the man. He grew irritable, uneasy, often moody and morose. His mannes, became abrupt and repellant. His appearance also changed From an errect and scalwart man he became gauntand hollow-eved. The constant exists a train was too much and in a com-

It is not denied that in the lowe parts of the city, there are secret haunts or 'dives," where drink is illicitly ob-tained, and that 'Pocket peddlers' her

tion movement lies. Even the custom which as a rule dies hardest, of supply

met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weak ening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 75c, bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not becopt any substitute if offered.

ABRILLIAN CAREER.

AND ITS TOO FREQUENT SEQUEL.

Few men in his native city had brighter probably because of the following proposes are kept, and a few of the hotels where the law is evaded, a stranger in Portland would have difficulty inpurchasing liquor. Not a single probably the probably of the control of the City Agency, where liquors for the control of the city Agency, where liquors for the control of the city Agency, where liquors for the city Agency and since the city Agency where the law is evaded, a stranger in Portland would have difficulty inpurchasing liquor. Not a single provided the city Agency and since the considerable seaport with a population of Sci. 400, has a 'Rum Room'' in the considerable seaport with a population of Sci. 400, has a 'Rum Room'' in the considerable seaport with a population of Sci. 400, has a 'Rum Room'' in the considerable seaport with a population of Sci. 400, has a 'Rum Room'' in the considerable seaport with a population of Sci. 400, has a 'Rum Room'' in the considerable seaport with a population of Sci. 400, has a 'Rum Room'' in the considerable sea

In Country Districts, which contain five-sevenths of the population prohibition is very generally effective. It is here that the atrength of the prohibitions are the contemporal line. Even the custom which as a rule dies hardest, of supplying liquor at harvest times, is complete ing liquor at harvest times, is complete with unknown, and in a large portion of the whole area and population, the demand for drink seems almost to have disappeared, and the supply to be rarely much with. The cider too, alluded to in the law, is used almost entirely for making the with the same and the supplying the with the same and the

THE PROPOSED CHANGES IN THE MARSH LAW.

CONCLUDED.

18. Section 37 of said act is hereby repealed and in lieu thereof the follow

reviewed, except assessments made by the Commissioners of Sewers District No.
6, and any person filing such application with the clerk shall serve a copy thereof upon the Commissioner making such order or refusing such application or making Vork, who went to that city from Pitts.

such assessments.

Section 39 is hereby repealed and in lieu thereof the following was enacted:

Sect. 39. The clerk shall upon notice "M" or "N" being filed with him as afore said forthwith in the presence of the applicant, or the person filing said notice on his behalf, select by lot from the Commissioners of the other districts three disinterested commissioners, as Revising Commissioners, and notify them that they are required to meet at a time and place named by him, not less than six days from the date of any such notice, to review the decision or assessment complained of and the revising commissioner shall within ten days after such notification program to review such decisioner shall within ten days after such notification program to review such decisions or assessment complained. General Neal Dow, whose ninetieth birthday we clebrated on March 20th, 1894, is known throughout the civilized world as the Father of the Maine Liquor Law, enacted forty-three districts years ago (1851.) So great, in the first place, was the oposition to this law, respect and shall file their order in respect to such application with the clerk who years ago (1851.) So great, in the first place, was the opposition to this law, that in 1856 it was repealed, but two years later it was re-enacted, and more stringent amendments were added. After twenty-eight years' trial it was by a nearly fifty thousand majority of the votes of the people, made a part of the Constitution of the state of Maino.

Section 40 of said Act is hereby amended by inserting in the eleventh line. Section 40 of said Act is hereby amended by inserting in the eleventh line.

ter than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually dennaing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the sunsyel of the mark in the Points Act, or that any spellication or order for the work in dupon:—

(2) The Country shriff and his officers to enforce these in the sild of assessment does not contain such a description of the mark as assessed. It is the sild of assessment was made, does not contain such a description or order for the work in connection with which such bill of assessment was made, does not contain such a description or order for the work in connection with which such bill of assessment was made, does not contain such a description or order for the work in connection with which such bill of assessment was made, does not contain such a description or order for the work in connection with which such bill of assessment was made, does not contain such a description or order for the work in connection with which such bill of assessment was made, does not contain such a description or order for the work in connection with which such bill of assessment was made, does not contain such a description or order for the work in connection with which such bill of assessment was made, does not contain such a description of the wash as the said Act, or that any spellication or order for the work in connection with which such bill of assessment was made, does not contain such a description of the wash as the said Act, or that any spellication or order for the work in connection with which such bill of assessment was made, does not contain suc

25. In case a majority of any portion of marsh in the Parish of Westmorland, desire to have the benefit, of any ditch or canal, now dug, or hereafter to be dug, for the purpose of draining or flooding any marsh in any district in the Parish of Sackville, the Commissioner of such district, may extend the in the Parish of Sackville, the Commissioner of such district, may extend the district and canals, to, or into said marsh in the Parish of Westmorland.

Commissioner shall have power to assess such portions of marsh in the Parish of Westmorland in connection with such work, in all respects as if it were a part of the marsh in the district of the Commissioner. And all the provisions of this have changed his mind on religion. In-Act, relating to the collection of assessments shall apply to the collecting of any stead of becoming a warrior of cyms

You do swear, that you are the proprietor of lot No. in Sewers District Siberia to Behring Sea, over Straits and that you are the person, named or purporting to be named by the ... on the list for said discrict.

Form "L" in the Schedule to this Act is hereby repealed and in lieu thereon

Commissioner of Sev.ers District No. Parish of Sackville. Whereas a lot of marsh situated in Sewers District No. in the Parish of Sackville in the County of Westmorland, described as lot No. of said District, and (here insert the bounds) was assessed by the Commissioner of said District, and where as the assessment against the said lot still remains unpaid. Notice is hereby given that the said described lot, or such parts thereof as may be necessary to pay such assessment and costs, will be let or sold at..... in the said Parish on two or three occasions made endthe....day of......next between the hours of twelve a. m aud two o'clock p. m.

The whole face of the State has been changed for the better. Before the law there were conspicuous indications everywhere of dilapidation, unthrift and decay, in shabby churches, shabby school-houses, shabby dwellings, neglected and shabby barns. Now there is nothing of all that, but everywhere are seen conclusive proofs of industry, activity, euterprise and thrift, no dilapidated or neglected buildings any, where, either public or private, but everywhere unmistakable proofs of an industrious and thrifty people.

and two o'clock p. m.
