## SAVED FROM THE KNIFE

### Appendicitis Cured By "Fruit-a-lives"

New Brunswick, Ont., Feb. 12th, 1910.

"Just about a year ago, our daughter Ella, (fourteen years), was taken with terrible pains in the right side. The pain was so severe that we had to carry her to bed. We at once put her under the care of a first-class doctor, who pronounced it a case of appendicitis and advised an operation.

We took her to a hospital in Kingston where she was again examined by an eminent specialist. He said she had Appendicitis and must be operated on at once if we wanted to save her life. As we had taken her to Kingston to have this done we were ready but our daughter was afraid and cried and begged so pitifully, that we postponed it for that day. Luckily for us and for her an uncle came in with some 'Fruit-a-lives' and insisted on Ella taking them. Good results were apparent almost from the first dose, and the continuous treatment cured her.

"Fruit-a-lives" saved our daughter from the surgeon's knife and to-day she is enjoying the best of health."

J. W. FOX, (Father).  
LILLIAN FOX, (Mother).

Words cannot express the gratitude of Mr. and Mrs. Fox. And Miss Ella will always remember "Fruit-a-lives"—the discovery of an eminent physician, and the only medicine in the world made of fruit. 50c a box, 6 for \$2.50, or trial box, 25c. At dealers, or sent, postpaid, on receipt of price by Fruit-a-lives Limited, Ottawa.

## WILL MEET AT THE BIG SHOW

Newspaper "Boosters" Will Convene at St. John in September.

On March 10th last a delegation of New Brunswick newspaper men visited St. John upon the invitation of Mr. T. H. Estabrooks, President of the Board of Trade, and discussed matters pertaining to the mutual interest of all sections of the province. This convention, informal as it was, resulted in much good, not only in a full and free discussion while in St. John, but through extended newspaper articles from all sections of the province afterwards. Indeed, the gathering was looked upon as so good an idea that arrangements are soon to be made to repeat the convention upon a greater scale during the Dominion Exhibition to be held in St. John from Sept. 5th to 15th. At this time the Exhibition Executive will set apart a special day for the entertainment of the newspaper visitors, and a thorough and official inspection of the manufactured products and natural resources of the province will be made throughout the Exhibition buildings, when comparison with other Canadian displays will be of special benefit. A further discussion of Provincial affairs will follow.

"MY HEART WAS THUMPING MY LEE OUT" is the way Mrs. R. H. Wright, of Brockville, Ont., describes her sufferings from smothering, fluttering and palpitation. After trying many remedies without benefit six bottles of Dr. Agnew's Cure for the Heart restored her to perfect health. The first dose gave almost instant relief, and in a day suffering ceased altogether. Sold by A. E. SHAW'S Pharmacy.—51
