HOW TO BEAUTIFY NEWCASTLE

"How to Beautify Newcastle." That's the name of a new de-
partment that will be opened in The Advocate. Its object will be
to assist in a scheme to make a more beautiful town in which to
live. Letters will be received and published in The Advocate.
What would be your suggestion in that respect? How have you
managed to keep your lawn nice and clean and attractive? Write
your ideas, and your letter will be published through this new de-
partment.

PATRIOTISM AND PRODUCTION

The vacant Lot and Garden Plot Offer Opportunities for Increasing
Output.

While the Departments of Agriculture of the Dominion and the various
provinces are endeavoring to inter-
est the farmers of Canada in plans
to secure increased production of
farm crops and live stock, the resi-
dents of cities and towns also have a
duty to perform.
In every urban community there
are vacant spaces which, usually,

A vacant lot in a large city. A nursery for weeds and an eyesore

are allowed to become breeding places
for noxious weeds. Our illustration
shows an example from one of
our large cities. In this city there
are many men out of work. These
vacant spaces should be made avail-
able for cultivation. The owner may
not wish to use the land for this

Arbor Day—May 7th.

Arbor Day is Clean-up Day.

Duplicate last year's clean-up day,
but go it one better on Friday next.

Some cleaning up has been going
on along Pleasant street, greatly im-
proving the appearance of this much
travelled thoroughfare.

Newcastle's annual clean-up day
will be held on Friday next, May 7th.
Friday is Arbor Day, and Mayor
Stewart has proclaimed it a public
holiday. The stores will be closed
and teams and men will be supplied
for the hauling away of all rubbish
after it has been raked up. Every
citizen is asked to clean his premises
up and have the rubbish ready for
the teamsters when they call.

A suggestion has been made to
the Advocate that the County Council
be approached in the matter of
presenting to the town school that
piece of property above the court
house building and opposite the jail,
to be used by the school children as
a flower garden. This piece of land
standing idle if fenced, could be
made a most beautiful spot, and its
close proximity to the school makes
it an ideal spot for the above use.
Schools all over the province are ar-
ranging these gardens, and there
seems to be no reason why our
town school cannot be in keeping
with other towns. We believe that
if the Principal and teachers would
take this matter up, secure the sup-
port of the Town Council, if neces-
sary, they would have no trouble at
all, and a very great interest would
thus be created among the scholars
in the planting of flowers and keep-
ing the beds in a clean, tidy and at-
tractive order.

TORTURED BY
CONSTIPATION

"Fruit-a-tives" Cured Paraly-
zed Bowels and Digestion

ST. BONIFACE DE SHAWINIGAN, QUE.
Feb. 3rd, 1914.

"It is a pleasure to me to inform you
that after suffering from Chronic
Constipation for 2 1/2 years, I have been
cured by "Fruit-a-tives". While I
was a student at Berthier College, I
became so ill I was forced to leave the
college. Severe pains across the
intestines continually tortured me and
it came to a point when I could not
stoop down at all, and my Digestion
became paralyzed. Some one advised
me to take "Fruit-a-tives" and at once
I felt a great improvement. After I
had taken four or five boxes, I realized
that I was completely cured and what
made me glad, also, was that they
were acting gently, causing no pain
whatever to the bowels. All those who
suffer with Chronic Constipation
should follow my example and take
"Fruit-a-tives" for they are the
medicine that cures."

MAGLOIRE PAQUIN
"Fruit-a-tives" are sold by all dealers
at 50c. a box, 6 for \$2.50, retail size,
25c. or sent postpaid on receipt of price
by Fruit-a-tives Limited, Ottawa.

ARMY SERVICE CORPS

THICK, GLOSSY HAIR
FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and
beautiful—Get a 25 cent bottle
of Danderine.

If you care for heavy hair that glis-
tens with beauty and is radiant with
life; has an incomparable softness and
is fluffy and lustrous, try Danderine.
Just one application doubles the
beauty of your hair, besides it imme-
diately dissolves every particle of
dandruff. You can not have nice
heavy, healthy hair if you have
dandruff. This destructive scurf robs
the hair of its lustre, its strength and
its very life, and if not overcome it
produces a feverishness and itching of
the scalp; the hair roots famish,
loosen and die; then the hair falls out
fast. Surely get a 25-cent bottle of
Known Danderine from any drug
store and just try it.

ON
PRINTING

FINE PRINTING IS AN ART

Do you know good printing?

Do you like good printing?

Do you know that it always pays to have the BETTER
kind?

Perhaps you have been used to the one class of printing
and know no other.

If this is so, it is time for you to have a look around
and investigate and see what's what.

Do you know you do not have to go any farther away
than Newcastle to obtain the BETTER class of
printing.

Perhaps you have not given it a thought, but a great
deal depends on the stock used in order to get a
BETTER job. Investigate this.

Last, but not the least, do you know that The Advo-
cate Job Department turns out only this BETTER
class of work. If you will read on a little fur-
ther, we will tell you how and why.

1st—We cater to that class of people who use
only the best stock, and who know what BETTER
printing is.

2nd—In order to give these customers the class
of work they want, we have to keep in stock only the
best grades of material. We do not handle cheap
lines.

3rd—In order, again, to be able to turn out that
BETTER class of printing, we employ only experi-
enced and competent printers, who keep abreast of the
times and watch the styles.

4th—What is as important as the above is equip-
ment. If The Advocate Job Department was not fitted
out as it is, with the most modern machinery and the
very latest in type faces, it could not handle the fast
growing trade, that has developed in the past year,
of turning out that BETTER class of printing. Only
the best inks are used, because this is necessary when
high grade stock is used.

Now, Mr. Business Man, if you will read the
above over carefully, see how your supply stands, then
get in touch with this office, we feel sure you will be-
come a customer. Give up that old-fangled notion that
first class printing comes only from the large city
printing offices. As a matter of fact, the reverse is the
case, and prices are invariably lower.

REMEMBER THAT WE DO
ALL KINDS OF PRINTING

For commercial use, we have superior grades of
Letter, Note and Bill Head Stock, at prices and quality
to suit any business and any purse. Our prices range
from \$2.50 to \$4.00 per thousand for Letter Heads,
and from \$2.50 to \$3.25 per thousand for Envelopes.
Our Envelopes are the same material as our papers,
and therefore match. We are always pleased to sub-
mit samples of stock, and prices, on application.

More Business
IS WHAT WE WANT

You want the work—we want to do it for you.
We have just the grade of paper you want, so why not
let us get together in a co-operative way and make a
strong pull for increased business—more business than
usual.
