Her screams attracted some of the passers-by immediately came to her assistance and beat off the animal by a blow on its head. The girl was very much frightened but otherwise uninjured. It is plain to see we have too many of these dogs in our city and the authorities should take a hand in the matter and get them.

## Parcel Post for Mtd. Expeditionary Forces!

The attention of the public is drawn to the very urgent necessity of strictly observing the regulations published by this Department from time to time concerning the despatch of parcels to members of the Expeditionary Forces and the following particulars should be strictly observed:

(1) Parcels must not exceed eleven pounds.  
(2) Parcels should be addressed with the Regimental number, rank, name and surname of addressee, followed by the last known address of the Unit with which the individual was serving; for example:

No. 0978 Cpl. John J. Kent,  
2nd Battalion  
The Royal Newfoundland Regt.,  
Hazelton Down Camp,  
Winchester,  
Hant's Camp,  
England.

(3) Parcels should bear the name and address of a second addressee to whom the parcel may be delivered or forwarded, if it should prove impossible to deliver to the first. The Original address should be written on the FRONT of the parcel where the postage stamps and customs declaration are affixed, and the second or alternative address should be written on the BACK of the parcel.

(4) If second address is not furnished at the time of posting and delivery cannot be effected, the contents of the parcel, unless of exceptional value or of a personal nature, will be turned over to the Military Authorities for distribution.

(5) Parcels containing articles of personal nature or of special value will be returned if request for their return, in case of non-delivery, is made by the sender, such request to be written on the cover of the parcel at the time of posting.

(6) The procedure outlined in (4) and (5) is adopted at the suggestion of the British Post Office, to prevent the waste of a large quantity of perishable food stuffs which form the contents of 90 per cent. of parcels sent to soldiers.

(7) Parcels should be packed securely.

(8) Attention is drawn to the Notice concerning Christmas parcels recently published by the Postmaster General. All Christmas mail for B. E. F. should be posted in time to arrive at the Pay and Record Office, London, not later than the end of November.

J. R. BENNETT,  
Minister of Militia.
