CYR'S CHALLENGE TAKEN UP.

Running fans will be delighted to hear that Charley Cyr's challenge has been accepted by Messrs. Bell, Robertson and Mander, and our boys can be depended upon to keep up the honor of Newfoundland. Mr. Thomas, acting as manager for Johnny Bell, informs us, however, that Bell will not be able to run before August 20th for two reasons, one that he is participating in the Regatta, and secondly that he severely strained the muscles of his right leg on last Wednesday and is still undergoing treatment. As the Montreal challenger will be coming here regularly through the summer this can no doubt be easily arranged, and the delay will enable other runners than those mentioned above to get in condition. It is likely the race will be under the auspices of the A.A.A.

TO-NIGHT'S MEETING.

To-night's Baseball meeting will be private inasmuch as only officers and two delegates from each club will be present. The fixtures for the C.E.I. Garden Party will be drawn. A baseball relay race has been asked for the Veterans and this will also be decided upon. It is not known what will be done this year about the Mount Cashel series. The H. D. Reid trophy has been won outright by the Cubs so that at present there is nothing to compete for, though no doubt it is the intention

of the sports' committee of the Garden Party to have the popular game of ball included.

TO-MORROW NIGHT'S GAME.

The C.E.I. should be able to put up a stiff front to the Lions to-morrow evening as they have been practicing most assiduously. Some of the positions have been changed which will tend to produce smooth ball, and it must be admitted that in the last appearance they had the Cubs on the go for a while. The lineups will be published to-morrow.

SOMEONE PLEASE ANSWER!

Another indignant letter has reached us from CUB JR. regarding the Junior League. It is full of threats and dire warnings to those in charge to have something immediately or there will be war. Possibly the matter could be taken up at the meeting to-night.

THE UMP.

Unhappy is the umpire
Who never hears some kicks.
Or calls a close play at the plate
Who doesn't expect bricks.

Should he go through a battle
Without the beefing horde;
"Robber—Rotter—Boneshead,"
He'd feel he was ignored.

His work is very simple.
He calls the balls and strikes,
And watches all the bases
To see if they are spiked.

Steal a man's Motor Car and he may feel sorry for you when you pay the penalty of your crime. BUT STEAL HIS

and he will consider you worthy of imprisonment for life, and will cheerfully do his best to see that you get it. Buy Dunhill Pipes at Bowring Bros., T. J. Duley & Co., J. P. Cash and Geo. Trainor.

TO-DAY'S MESSAGES.

SEEKING A SOLUTION.

WASHINGTON, July 10. President Harding has approached Great Britain, France and Italy and Japan with a view to the holding, in Washington, of a conference to discuss limitation of armaments. The President furthermore has suggested to the powers interested in the problems of the Pacific and the Far East that subjects relating thereto be considered at this conference, at which it is proposed that limitation of armaments be considered. These statements were embodied in an announcement issued to-night by the State Department by direction of the President.

DEATH FROM THE SKY.

MOONSVILLE, W.Va., July 10. Six persons were killed, and approximately fifty injured at Logan Field, here, late to-day, when a Martin bombing plane crashed into a group of automobiles parked on the ground. An explosion followed setting fire to the machine. The dead were all spectators. A Lieutenant, the pilot and another Lieutenant, who was assistant pilot were rescued by Carl Miller, coach of Bethany College.

LAWLESSNESS IN BELFAST.

BELFAST, July 10. Rioting broke out in Belfast last night, and continuing throughout the day, became so serious this afternoon that military had to be summoned to restore order. At ten o'clock tonight the casualties lists showed that 15 persons had been killed, and nearly one hundred wounded. According to police accounts firing at patrols by Republicans precipitated the outbreak. From then the shooting was almost continuous in Falls districts. As daybreak came on, the tide of battle extended down the Falls Road, until it reached Townshend Street, which then became the centre of sharp rioting, with Unionists for the first time entering the fray. Carrick Hill and Millfield, the areas of the Nationalist strongholds next became affected. The firing here was intense, alternating with screams of crowds as they scurried hurriedly away. As a group of Orangemen marched four deep along Royal Avenue, from service at Ulster Hall this afternoon, there were scenes of excitement, Orangemen shouting defiance as they passed streets, down which bullets were flying. Next police rifles began to come into action, and the crowd on the street corner cheered wildly, when one of the shots brought down a man with a gun. Ballmacarret, the city's eastern suburbs, caught the riot infection and generally the spirit of the trouble was the last thing to be observed in Belfast. Late this afternoon armoured cars thundered along the avenue, cheered on by Unionists. At North Street the occupants tumbled out and laying flat on the pavement, opened fire. Orangemen from Shanaghill Road, which is a continuation of North Street, lined up with the police and began shooting from that side on Republican forces in Millfield, who found themselves between two fires. Early in the morning a number of rifles were discovered. All over Ulster church parades were held to-day, presumably to the usual twelfth of July demonstration.

HANDY MEN ALL.

NEW YORK, July 10. Twenty-eight days after a large hole had been stove in her starboard bow, when she struck an iceberg on the Grand Banks, the three-master Danish bark, Astrid, made port to-day with a hatch of wood and cement, hastily rigged at sea, replacing the crushed plates. Mariners regard feat of the crew commanded by Captain Askov K. Skov as a nautical triumph.

C. E. WANT WARLESS WORLD.

NEW YORK, July 10. More than 16,000 delegates to the sixth World's Christian Endeavor Convention to-day, gave a tremendous demonstration to an appeal for a warless world, and the demand that United States join some International Association to promote world peace. They cheered Fred B. Smith, Chairman of the Commission on the Inter-Church Federational Federal Council of the Churches of Christ in America, as he urged all Christian Churches to bring pressure to bear upon the authorities at Washington to make United States a member of the League of Nations or of some other national guild.

LONDON INUNDATED.

LONDON, Ontario, July 10. Not since the big flood of July 11, 1883, when fourteen persons were drowned, and hundreds of thousands of dollars worth of property was destroyed, has London sustained such damage as during a storm which raged from 2 o'clock this morning until 2 this afternoon. In that time 3.05 in. of rain fell and lightning was almost incessant. Terrible damage, that will run into thousands of dollars, was caused by flooding. The damage in the districts surrounding London, and throughout this part of Ontario will amount to thousands.

MUCH DAMAGE IN BOSTON.

BOSTON, Mass., July 10. Damage in Great Boston, from a

series of six electrical storms that centered over this city and its suburbs, yesterday, was estimated to-day at \$500,000, losses in the neighboring towns and cities, reports said, would approximate as much more. The heaviest loss resulted from the rain fall which measured 6.03 inches here in less than twenty-four hours, establishing a record. Three deaths were directly due to the storm. One woman was killed by lightning, an elderly woman died of shock and a man died of heart failure.

LEADERS WILL PROBABLY MEET.

LONDON, July 10. The British Prime Minister, Lloyd George, and the Irish Republican leader, Eamonn De Valera, will probably meet some day this week, to discuss basis for a general conference on Irish settlement. Lloyd George has asked Mr. De Valera to name a date, and has added a further invitation to any colleagues whom he wishes to bring with him. The Irish question has been long a history of baffled hopes, otherwise the present situation would be full of promise for a final peaceful settlement.

GERMAN JUSTICE ONLY.

PARIS, July 11. The French mission, which has been in Leipzig attending the trial there of German officers charged with acts in violation of the rules of civilized warfare, returned to Paris yesterday afternoon.
