Spinning Tops at \$200?

Seems expensive for a small child's toy, but a little tot's daddy recently tripped on a top at the head of a stairway and when he arrived at the bottom he had a dislocated shoulder and a fractured forearm.
Summed up, this Company gave him \$200 for his his eight weeks' disability and the toy is on display in our Home Office.
HE HAD CARRIED OUR \$16.00 POLICY JUST TWO YEARS!
Every reader of this paper should have SOME protection against possible injuries. Have YOU any?
