Two Terrible Disasters on the

Inland Seas. Twenty-Six Persons Drowned by the Sinking of a Steamer.

A Schooner Goes to the Bottom with All on Eoard-Names of the Victims. MARQUETTE, Mich., Aug. 1.—The steamer Western Reserve, bound for Cleveland, Onio, broke in two off Au Sauble banks, one Deer Park, Tuesday night. Twenty, six persons were drowned; Harry Stewart, of Algonae, was saved. Three of the bodies were washed ashore this morning.

SAULT NTE. MARE, Mich., Sept. 1.—The fish tug E. M. B. A. arrived down to-night, having as a passenger Harry Stewart, of Algonae, a wheelsmen,

SEPTEMBER 2, 1892.

Sixteen immigration the Canadian Pacific were stopped this afternoon by the United States health efficers and sent into quarantine before they crossed the bridge into Michigan. One was from Hamburg.

Over Three Bunder Funerals in A DAY.

Over Three Bunder Funerals in A DAY.

London, Sept. 2.—Although the cholers is reported to be abating at Hamburg the number of victims to-day is again very number of victims to-day is again very heavy. The disease rages with the most heavy. The disease rages with the most virulence at Horn and Hamburtpook, where hundreds were attacked, and many died within two hours. Interments since last night number 313.

Gravesend, Sept. 1.—The surviving cholera patients who were landed at this place from the steamer Gemma, which place from the steamer Gemma, which place from the steamer Gemma, which words recovery and are now nearly well. The others have been pronounced free from the disease, and have been allowed to proceed to London.

Halifax, N. S., Sept. 2.—A report is published here giving the results of an inspection of the quarantine station buildings at this port showing them to be in dilapidated and damp, ill-ventilated and tumble down condition, unfit to herd human beings in. The covering of the wharf at the place is so rotten that it is unsafe for people to pass over it. The buildings are surrounded by stagnant pools and the framework of health passed a resolution calling on the Ottawa authorities to take steps to place the quarantine station and its equipments in althoroughly effective state.

Outrain Edward and Grosse Isle.

Outrain Edward and Grosse Isle. will

DETAIN ED AT GROSSE ISLE.

QUEEEC, Sept. 2.— The steamer Cremon from Hamburg now at Grosse Isle, will likely remain there two days more. The officers of the vessel are reticent in giving information about the bundles of rags on board the vessel.

board the vessel.

BUFFALO WILL RFEF A CLOSE WATCH.

BUFFALO, N. Y., Sept. 2.—Full authority has been placed in the hands of Health Commissioner Wende to take any and all action necessary to prevent the disease entering Buffalo, and he will at once begin precautionary measures. The fact that Buffalo is a great railroad center it is feared will make it peculiarly liable to a visitation in case the disease sets out on its travels in this country, because of the great number of immigrants who pass through here. Dr. Wend will at once send Assistant Health Commissioner Pettit to New York to keep a close watch Pettit to New York to keep a close watch on all emigrant travel to Buffalo. He said: "This will prove of great assistance to us in our inspections of this end of the line, He would advise the department here of the number of immigrants that arrive there daily, with the number of those remaining in New York and of those coming to Buffalo or intending to pass through here. Then he will establish a quarrantine on all the railroads outside the city line and examine into the condition of the passengers." BUFFALO WILL KEEP A CLOSE WATCH.

The Inman Line management has decided to carry only first and second cabin passengers from Liverpool during September.

The Question of the Adventure of

The London and Port Stanley.

The London and Port Stanley.

To the Editor of the Advertiber:

I have been looking with considerable interest the past few days to see a report from the board of directors of the London and Port Stanley Railway, but fail to find any. Surely the fact that the lease of this road to the Grand Trunk for twenty years road to the Grand Trunk for twenty years of the lease of this importance to require some consideration importance to require some consideration as to what they intend to do with the road. Has the Grand Trunk, according to the terms of the lease, handed over to them terms of the lease, handed over to them to read, with stations, etc., in good rether road, with stations, etc., in good repair, or paid for those that have been burned?

I am anxious to know whether the London and Port Stanley Railway Board intend to continue the present lease to the tend to continue the present lease to the term of office, or allow them to use it at their own convenience and on their own terms as is the case at present. I feel sure the citizens expect the gentlemen representing them on this hoard will not allow senting them on this hoard will not allow the road to be run in this loose manner any longer. Thanking you for space. I am yours truly.
