FAIR -- A LITTLE COOLER.

Toronto, Aug. 8-11 p.m.—The low area mentioned yesterday has moved very slowly, and is no longer in the Lower St. Lawrence Valley. Showers have occurred today in a few localities from Ontario to the Maritime Provinces, but the weather has been on the whole fair. Showers have also occurred in parts of Manitoba and Saskatchewan. Unusually high temperatures continue in British Columbia. Minimum and maximum temperatures: Esquimalt, 64-72; Kamloops, 64-100; Calgary, 56-76; Prince Albert, 54-68; Winnipeg, 56-76; Port Arthur, 56-76; Parry Sound, 64-74; Toronto, 68-81; Ottawa, 65-82; Montreal, 68-80; Quebec, 60-70; Halifax, 56-70.

Probabilities: Toronto, Aug. 9-1 a.m. Lower lakes: Winds mostly west and north; fair and a little cooler.

Local temperatures: The highest and lowest readings of the thermometer at the observatory here yesterday were 72° and 67° above.

—Miss Lizzie Alfred has successfully undergone an operation at the general hospital for appendicitis.

—The London Loan Company closed their office yesterday afternoon on account of Squire Owey's funeral.

—Policeman Thos. Guthrie, of Toronto, formerly of the London force, has for seven consecutive years done duty at the corner of Yonge and Queen Streets in Toronto.

—Heavy shipments in cattle are being made over the C. P. R. through this section from the Northwest Territories. Most of these are destined for the European market.

—Miss Mercedes Maguire, daughter of Police Sergeant Maguire, while in the park yesterday, was run into by a wheelman, and had her limbs severely bruised. She was removed to her home in a cab.

—Kingston News: Sheriff Cameron, of London, accompanied by his son and daughter, are spending a few days in the city. Mr. Cameron is here to place his son in the Royal Military College.

—Contractor Mills, of Hamilton, and one of the G. T. R. civil engineers, visited the G. T. R. car shops yesterday and completed arrangements for the addition to the works, which will be made very shortly.

—Mr. A. Jordan, of Hill Street, who formerly filled the important position of engineer and foreman of the cupola gang at the McClary foundry, is about to resign and accept a position on a peach boat in the east.

—Corporal Harry Millie, of Wolseley Barracks, has been sent to jail for twenty days for disobeying a summons issued in the ninth division court in a suit for a small amount brought against him by C. McCallum.

—Sarnia Observer: The death is announced in London on Saturday of Jas. Owey, J. P., aged 83 years. Deceased was the owner of the Owey block in this town, in which the postoffice is situated, and was well known to many of our citizens.

—Windsor Record: A blind man was doing a thriving business at the corner of Ouellette Avenue and Sandwich Street yesterday morning, but was run in for blocking the sidewalk by the crowd that gathered to hear him sing. He had \$15 or \$20 in his pockets. This afternoon he was liberated. This same man was in London last week, and resented quite a harpist at the I. B. S. picnic at Port on Thursday last.

—The residents of Oxford Street and vicinity have a "bone" to pick with the street railway company. They say that repeatedly the Oxford Street cars in-

stead of making the full trip to the terminus at Adelaide Street, do not run on Oxford Street at all, but are taken north on Richmond to St. James, where there is a "Y," and are there turned for the return trip. This is very annoying to would-be patrons who are waiting on Oxford Street.

LOST A FOOT.

W. D. Woods, a C. P. R. conductor on a work train at Mission City, B. C., lost a foot on Wednesday. He was walking along the side of the moving train, when he slipped, and putting his foot to brace himself, he got it under the wheels. The injured man is a native of Toronto, where his parents now reside. He played on the Ontario championship lacrosse team in that city for several years. He went to Vancouver in 1888, and entered at once into the service of the C. P. R. as brakeman, and sometimes as baggage-man. He was some time ago promoted to be conductor. Mr. Woods has many friends between Toronto and Windsor and is well known among railroad men in this city.

OLD BOYS GONE HOME.

The majority of the London Old Boys took the C. P. R. train for Toronto last evening. At the depot the greatest enthusiasm prevailed. While the crowd waited for the train, all that was left of the Royal Foresters' Trumpet Band and Queen's Own Bugle Band entertained the people with bugle and snare drum.

Before the train pulled out Mayor Wilson made another speech. He said he was glad the Old Boys came, glad to know that they had a good time, and pleased to see them again. Cheers were given for the London Old Boys in Toronto and other places, for President Joe Davis, and the members of the train, all comfortably filled. The company was complimented by the O. B. officers on the splendid accommodation provided.

## HOSPITAL EQUIPMENT

Tenders for Electric Wiring To Be Called a Second Time.

First Specifications Considered Too Elaborate—Promoters of the Children's Pavilion May Commence Work—Tenders for Heating and Ventilation and for a Power Plant Called.

The hospital building committee decided last night to call for new tenders for the electric wiring of the new hospital. Five tenders were received on specifications prepared by Mr. W. T. Huyette, of Detroit, but were considered too high, and in consequence, the specifications will be made less elaborate.

Huyette's purpose was to have a plant that would not only meet the present requirements of the Fire Underwriters' Association, the rules of which are frequently amended, but what would do for some time to come. The specifications were also prepared so that there would be less expense in the event the city installed a lighting plant in the building. Considerable conduit, a number of switches and other electrical instruments on switchboards, which are part of the generating plant, were the stumbling blocks. These can be left out, it was claimed, and yet all the demands of the underwriters be met.

On motion of Ald. Jolly, the specifications will be revised and new tenders called to be in Thursday.

The architect recommended metallic lathing for the contagious diseases pavilion. The contract called for ordinary lath, and the difference in cost would be \$175. Metallic makes a much better key, he said.

He was anxious to keep to the contract. The chairman said that when away he noticed metallic lathing was being used in all the hospitals under construction which the deputation had visited.

The promoters of the children's pavilion will be allowed to commence work on the building in the understanding that they assume all liability.

Mr. Huyette presented plans and

specifications of a direct steam heating plant, with mechanical ventilation, for the hospital. The plant will include two generators and engines, and cost about \$3,000, for lighting and power purposes. The saving in the cost of lighting would pay for the machinery in a few years. The idea was to furnish light for the other public buildings, such as the city hall and the free library.

Mr. J. Chambers, city, presented plans for a system which he was prepared to guarantee to give satisfaction. He agreed that if his system was chosen, and he secured the contract, he was to be allowed nothing for the plans. If the system of Mr. Huyette was preferred he was to receive nothing, but in the event of his plans being approved and the contract going to another firm, he was to receive \$50.

Ald. Jolly moved that tenders on both plans be called, and the motion carried. The tenders are to be separate for the heating and ventilating, and for the power plant.

All the members were present.

Who Is Touring New Zealand—First Impressions of the Island.

Mr. Will H. Salmon, M. A., of London, who is at present making a tour of the Australian colonies in the interests of the Australasian Student Christian Union, writes from New Zealand in an interesting and instructive manner. The Advertiser who follows these articles will do well to keep a map of the country at hand for reference, so as to locate the places named.

From Sydney, the capital of New South Wales, to Auckland, the northernmost city in New Zealand, is a journey across an angry sea of about four and a half days. There is a line of weekly steamers, besides the San Francisco boats once a month. Once in a while a fair passage may be secured, but as a rule, travelers, with the exception of "old salts," are obliged to make a rough and tumble journey, with many enforced hours of idleness, may lie in a cabin gazing out on such rising and falling walls of water as one reads about the stylized sea.

Mr. H. K. Keast, of Elyria, Ohio, is visiting friends and relatives of this city, Delaware and St. Thomas.

Miss M. Richardson, 161 Central Avenue, is visiting her aunt Mrs. A. Sinclair, of 88 Eastern Avenue, Toronto.

Mrs. J. Ross, Miss Lizzie Ross, Miss Jean Ross and Miss Mary Gunn were in the city yesterday from Woodstock. Miss Melissa Wood, of Aurora, is spending a few days with her cousins Maud and May Norris, of South London.

Mrs. Wm. Barrows and two children, of 22 Talbot Street, have gone on a visit to her mother's, Port Austin, Mich.

Misses Maud and May Norris have returned home after spending two months with their grandparents in Toronto.

Mr. and Mrs. John C. Butler and daughter, of South London, leave today for Quebec and the Saguenay River.

Miss Maggie Philip and Master Norman Philip, of Chatham, are on a month's visit to London and St. Marva.

Mrs. D. W. Smythe, of 237 Horton Street, is spending her holidays with friends at Fern Hill, Crystal Lake, Dundaff, Pa.

## DYSPEPTIC'S HOPE

Is Founded on Dodd's Dyspepsia Tablets, Which Never Fail Him.

They Are the Only Medicine on Earth That Can Remove the Cause of Indigestion, Dyspepsia, Etc.—They Are Sure.

If a mad dog were chasing you, and it seemed impossible, you would be deeply grateful to anyone who showed you a secure hiding-place. It would be easy to gauge the value of the good dog you had done you. He saved your life.

When the Demon Indigestion is in pursuit of a man, there is only one way of escaping.

These paragraphs point out clearly that way. There can be no other way of getting clear.

Take Dodd's Dyspepsia Tablets and you will soon be free from every sign of indigestion and its evil effects. This result is accomplished in the only way possible. Dodd's Dyspepsia Tablets remove the cause of the trouble.

They act on the food in the stomach immediately, reducing it to liquid form, digesting it, and thus banish that distressing sensation of overfullness which is caused by the accumulation of undigested food in the stomach.

No assistance is required from the stomach by Tablets. It is resting all the time Dodd's Dyspepsia Tablets are being used.

Besides this, Dodd's Dyspepsia Tablets contain certain ingredients that tone and strengthen the stomach, enabling it to digest the food taken into it.

No other medicine on earth but Dodd's Dyspepsia Tablets can digest food.

Therefore, no other medicine on earth but Dodd's Dyspepsia Tablets cure indigestion.

Dodd's Dyspepsia Tablets are the Dyspeptic's only hope. On them he can rely with absolute and perfect confidence.

Dodd's Dyspepsia Tablets are sold by all druggists, at fifty cents a box, or boxes \$2.50, or sent, on
