Flour—Firmer; cars of 90 per cent patents in buyers' bags, \$85 bid, middle freights; choice brands are 15c to 20c higher. Millfeed—Steady for cars of \$10 per cent patents in buyers' bags, \$10 per cent pate No. 1 hard, 91c; No. 1 northern at 90c.

AMERICAN MARKETS.

sold at 89c, with the future market keeping pace with the advance. No. 2 hard was sold 1½c higher relative to the option than was bid a few days ago, and the export demand at seaboard is reported good, and 50 loads were said to have been worked. It seems only necessary to buy wheat on weak days to realize quick profits. Estimated tomorrow, 135 cars.

Corn—Firm market, which showed little inclination to follow the easiness in wheat, but gained strength readily when the latter advanced. Weather throughout the belt was much improved, with seasonable temperatures. Liverpool market was steady and our house there reports gradual strengthening on the price, due to fears of a squeeze. State reports than is generally anticipated. Iowa condition is reported as 73, compared with 77 a month ago. A large Nebraska firm estimates the crop of that state at 75 per cent with ideal weather conditions, but the started to drink again, and he drank is generally weather conditions.

estimates the crop of that state at 75 per cent, with ideal weather conditions, but present prospects are for not over half a crop. Longs appear to have considerable confidence in value of their holdings, and show no' disposition to let go when news is not all bullish. Local receipts, 89 cars, with 130 cars estimated for tomorrow.

London, making \$12 a week. Then he started to drink again, and he drank every cent he made, so that his family suffered. A week ago last Tuesday he went away again, tiring of his situation. He told her he was going to Lucan and would be back on the following Saturday. Soon she heard that he had gone to Detroit, and it was not un-Oats opened at a fractional decline, with til today that she saw him again. Oats opened at a fractional decline, with moderately general commission trade, and on weakness in wheat eased somewhat further. Buying by local speculators, who sold yesterday, and fair demand from commission people, found offerings not heavy, and prices firmed up steadily, closing strong at top for all options. Receipts this morning were light, at 125 cars, with 62 of contract grade, and the estimate of 125 cars for tomorrow is considered only moderate. estimate of 125 cars for tomorrow is considered only moderate.

Provisions were quiet throughout the session, opening quiet and lower, with letting go by holders, who are fearful to penitentiary, but I want you to supof the unsettled financial conditions east, and selling by commission houses credited to packing interests. This had a depress-

ing effect on prices, coupled with an increase in local stocks of 3,000 tierces today, appeared to be a respectable

DAIRY MARKETS. NEW YORK.

Tweed, Ont., Aug. 6.—At the cheese board today 785 boxes were offered; 580 were sold at 9 9-16c; balance unsold. BROCKVILLE. Brockville, Ont., Aug. 6.—At the meeting of the cheese board today 1,845 boxes were registered, of which 547 were white, balance colored; all sold at 9½c.

LEFT HIS WIFE TO STARVE THE IRISHMEN ANNOYED

Babies for Drink.

Mrs. Franklin Eastman Tells a Sad Many of the Officials Expressed Their Story in Police Court.

One of the saddest cases that has been heard at the police court in some time was that told by Mrs. Franklin Eastman today, when she accused her

court this morning, was a woman who dent Murphy, of the Irish Benevolent, was arrested. It was stated that she it was easily seen deserved better treatment. She was a rather small woman through the operator at Port Stanley, who had found her incorrigible, and that her words are the parents, who had found her incorrigible, and that her words are the parents, who had found her incorrigible, and that her words are the parents, who had found her incorrigible, and that her words are the parents, and the parents are the parents are the parents. H. C. Becher, broker, Bank of Commerce building, received the following by private wire from Bartlett, Frazier & Carington, yesterday:

Chicago, Aug. 6.—Early tendency of the wheat market was to continue yesterday's decline in view of better weather day's steamers for the case was a rather small woman and frail, but with spirit enough to stand up for her rights. She was a rather small woman and frail, but with spirit enough to stand up for her rights. She was a rather small woman and frail, but with spirit enough to stand up for her rights. She was a rather small woman and frail, but with spirit enough to stand up for her rights. She was very nearly destroyed day morning almost totally destroyed to no avail. Mr. Cameron said that her uncle and aunt had found her uncorrigible, and that her uncle and aunt had found her uncorrigible, and that her uncle and aunt had found her uncorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her uncorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found her incorrigible, and that her uncle and aunt had found the incorrigible, and that her uncle and aunt had found in tha Chicago, Aug. 6.—Early tendency of the wheat market was to continue yester-day's decline in view of better weather conditions in the Northwest, continental cables and financial conditions prevailing in Wall street. During the morning many bullish features developed and prices were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted it. He had, how-were quick to respond to the wanted to the excursion trains, which had left at 10:45, and Mr. Murphy finally spoke of the running of the train at the expense of the society. This proposition was not entertained.

The whole matter to the excursion trains, which had left at 10:45, and Mr. Murphy finally spoke of the running of the trains, which had left at 10:45, and Mr. Murphy finally spoke of the running of the trains, which had left at 10:45, and Mr. Murphy finally spoke of the running of the trains, which had left at 10:45, and Mr. Murphy finally spoke of the running of the trains, which had left at 10:45, and Mr. Murphy finally spoke of the running of the trains, which had left at 10:45, and Mr. Murphy finally spoke of the running of the trains, which had said in laying the information was false.

When the girl acknowledged that to the said in laying the information was false.

When the girl acknowledged that to the excursion that the wanted in the standard matter to the said in laying the information was false.

When the bullish features developed and prices were quick to respond, led by yesterday's profit-taking. Yesterday's estimate of a 200,000,000 crop for the three northwestern states were reduced today to 170,000,000 turbushels. Nebraska estimates were form and help in parts of Kansas. Cash situation was noticeably strong, particularly at Minney in parts of Kansas. Cash situation was noticeably strong, particularly at Minney apolis, where No. 1 northern spring wheat soid at 89c, with the future market keepsold at 89c, with the future market keeping pace with the advance. GOT DRUNK, FELL IN LAKE

But for Prompt Action of Young Lady, Might Have Drowned.

Man Was Tossed Helplessly in Waves for Some Time-A Narrow Escape.

A man who went in for another kind of "good time" than most people who go to the Irishmen's picnic do, 'had a narrow escape from drowning at Port Stanley yesterday. But for a your lady whose pluck was admirable, his indiscretions would likely have led him

to a watery grave.

The man, from all indications, ha become helplessly drunk, and while walking along the beach close to the became overbalanced and fell in. Unable to arise he was tossed to carry him out any distance. One of afternoon walk, suddenly noticed him in water several feet deep, but this did not daunt the girl and with difficulty she succeeded in pulling him out. Quit LONDON.

JUBILEE AT KINCARDINE. Knex Church at Kincardine has jus celebrated its jubilee, and also, the semi-jubilee of the pastorate of th Rev. Dr. Murray. The services were onducted by the Rev. Dr. Johnston of this city, a native of Kincardine. The congregation, which as a large and prosperous one, presented Dr. and Mrs. Murray with an affectionatelyworded address, and a handsome and costly cabinet of sterling silver, containing 114 pieces, suitably engraved.

DIED IN CHATHAM. One of Chatham's best known and most highly esteemed residents, Mrs. George Taylor, wife of Mr. George G. Taylor, merchant, died in that city on Wednesday after a long illness from a complication of diseases. Mrs. Taylor was 38 years of age, and resided for a number of years in this city before her removal to Chatham, where she has lived for upwards of fifteen years. She was a daughter of Mr. Robert Wrighton, of London, and is survived by two daughters, two sis ters who reside in Chatham, and two brought here for interment on Saturday at Woodland Cemetery.
