WARNS AGAINST FORGERY

Chief of Police Advises Merchants to Look Out for Check Artist.

Special to The Advertiser. Kitchener, Dec. 20 .- Mayor Greb

officially announced his candidature for a third term yesterday, and will run in opposition to Ald. L. O. Breithaupt, who yesterday signified his intention of contesting the mayoralty. Mayor Greb stated late this afternoon, in making his angive the people a third chance to elect him, thinking that he was only serving the best interests of the citizens in giving the people a chance to vote for him as mayor.

He explained that if he did not run Ald. Breithaupt would go in without any opposition and he did not think this would be playing fair with the people who nominated him last year. He declared, however, that he will not conduct any campaign, but will leave the choice entirely in the hands of the people. He wished it to be distinctly understood that he would neither do or say anything to mar the friendship existing between himself and Ald Breithaupt.

Mayor Greb issued instructions to-day to City Clerk Millar to call a special meeting of the city council for Thursday night to discuss, and take action on, the situation that has arisen as a result of the clerk's refusal to resign as requested by the finance committee. His worship stated today that the reasons behind the request of the committee were that the clerk had not satisfactorily handled the financial affairs of the local cemetery. It would appear that the aldermen objected to certain slight irregularities that had crept into the system. The city clerk was not given any chance to defend his case, but it is expected that at Thursday night's meeting he will be given opportunity to put in a defence. Local merchants have been warned by Chief of Police O'Neill against clever check artists who are operating in the city. One merchant has already reported a loss of \$18, having purchase. The check was for \$36.
