MARAVILLA COCOA. SOLE PROPRIETORS. TAYLOR BROTHERS

LONDON.

THE CCCOA (OR CACAO) OF MARA-VILLA is the true THEOBROMA LINNÆUS. Cocoa is indigenous to South America, of which Maravilla is a favored portion. TAYLOR BEOTHERS haying secured the exclusive supply of this unrivalled Cocoa, have, by the skillul application of their soluble principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, hat it has not only secured the preference of homeopaths and cocoa-drinkers generally, but many who had hitherto not found any preparat on to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, function, &c.

"AN UNPRECEDENTED SUCCESS."

AN UNPRECEDENTED SUCCESS."

See following Extract from the Globe of May 14, 1868.

"Yarious importers and manufacturers have attempted to attain a reputation for their prepared Coccas, but we doubt whether any thorough success had been achieved until Messrs Taylor Brothers discovered the extraerdinary qualities of "Maravilla" Cocca.

Adapting their perfect system of preparation to this the fluest of all species of the Theobroma, they have produced an article which supersedes every other Cocca in the market. Entire solubility, a celeate aromand a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocca above all others. For Homeopaths and invalids we could not recommend a more agreeable or valuable beverage."
