DAVIS' PAIN KILLER.

From the reports of dealers in this city, we think no proprietary medicine has so many valuable properties, as a speedy cure for pain, cannot fail to be generally appreciated, and no family should be without it, in case of accident, or sudden attack of dysentery, diarrhoea, cholera morbus; and even Asiatic cholera yields to its magic power, as we see by reports from those sections in the south-west where the disease has been particularly virulent the past summer.—*Montreal Transcript.*

L. DSE. TOUCHET, Montreal, L. C.

Messrs. Perry Davis & Son,

Permit me to acknowledge the benefit of your valuable medicine, the Pain Killer. I have been afflicted for two years and a half with a severe pain in the stomach and breast, and never found any relief until I tried Davis' Pain Killer, to which I cheerfully attribute my restoration to good general health. I consider it the best family medicine in use, for restoring and building up a debilitated system to its natural vivacity and vigor of life.

PERRY DAVIS'S VEGETABLE PAIN KILLER.

Soonstly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public about TWELVE YEARS, and has found its way into almost every corner of the world; and wherever it has been used the same opinion is expressed of its real medicinal properties. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful.

Its use as an internal and external remedy, and when used according to directions is true to its name, a

PAIN KILLER.

It is almost infallible in the cure of Sudden Colds, Coughs, Fever and Ague, Asthma, Pain in the Head and Back, Rheumatic Complaints, Bruises, Sores, Severe Burns, Canker in the Mouth, &c. &c.

It is in truth a FAMILY MEDICINE, and should be kept in every family for immediate use. Oftentimes long periods of suffering are saved by the timely application of this *Friend to the Afflicted*, the **Pain Killer**.

It has been used in severe cases of the CHOLERA, and never has failed in a single case where it was thoroughly applied on the first appearance of the symptoms. In any attack where prompt action upon the system is required, the **PAIN KILLER** is invaluable. Get a copy of the **People's Pamphlet**, which can be obtained from any of our Agents, and read the facts stated, every one of which can be certified to by addressing the parties.

The **PAIN KILLER** is sold by all respectable Druggists throughout the United States and British Provinces in America, also by Agents in Foreign Countries, whose names are to be found on the **People's Pamphlet**. The **Pain Killer** is put up in 1 oz., 2 oz., 6 oz., and 15 oz. Bottles.
