LAUGHLIN PEN COMPANY, New Haven, Indiana:

Gentlemen:--Myself and quite a number of our employes are using "LAUGHLIN FOUNTAIN PENS." They are "all right." I have one on my desk that I have USED EVERY DAY for the past SIX YEARS and it is STILL GOOD. I WOULD NOT BE WITHOUT a fountain pen, and I consider yours BETTER THAN ANY I have seen.

Yours truly,

W. R. Bresie,

Superintendent.

It never drips nor skips.
