#### COOKSHIRE.

A rainy day and roads almost impassable did not prevent a large attendance at all the Easter Services. More than half the Communicants were present at the Early Celebration at 8 a.m. At 9.30, Morning Prayer was said with the children; they enjoyed the Service greatly, and after the address, the rector stood in the Chancel and the children came forward one by one and placed in the alms bason their Lenten offerings for Missions, which were then presented on the Lord's Table. At 10.30 the second Celebration was held and the attendance was very large. The Evening Service was " Tallis Festal " with Anthem. The Easter music was very well sung and the spirit of brightness and praise was in every Service.

The Easter meeting was perhaps the most satisfactory ever held in this parish. The wardens reported all assessments promptly paid, no debts of any kind, and a substantial cash balance carried forward for next year. This good result is mostly due to the " Envelope System," which was introduced by the Rector more than a year ago, and has been since carried on under his direction.

The work on St. Andrew's Chapel, Eaton Corner, is now progressing, and it is hoped in a few weeks to hold Service there.
