

OUR DISPLAY OF

Silver Toilet Articles

is by far the largest and most varied we have carried. It includes everything made for the toilet table--dozens of things you will find here only. They are all splendid specimens of the silversmith's art and skill, and bear our guarantee of the highest standard in Silverware. .

OUR CUTLERY

TRADE MARK FOR
 W. ROGERS. ★
 KNIVES, FORKS, SPOONS.

NEEDS no misrepresentation. High grades do not always mean high prices. They do not mean it here. Good Cutlery is worth a good price, but we ask no more for our goods than a fair and honest profit will allow.
