#### The Representative Piano Manufacturers. 18 rom New York "Observer"!

WN. KNABE & Co.-This firm is one of the oldest in the country. Their growth has been solid and steady, not an ephemeral upbeen solid and steady, not an ephemeral upspringing, and their position, therefore, is unsurpassable and unassulable. They have relied upon the real me its of their Instruments, and avoided all clap-top and trickery. The outcome is a business whose firm and steady prosperity is anequalled. The relative value of pinnos is pretti well-known, but a few brief fords about the "Knahr" will be of pincrest. The tone combines value and richness, with sweetness and putity and evenness through the entire scale. With so elastic a touch that the player can bring out the subtlest expressions without the pedals. In another quality yet this piano is especially supreme—tenacity of holding Tune. Evidence of this is found in their extensive use in conservatories, where holding Tune. Evidence of this is found in their extensive use in conservatories, where the severest of all tests is applied.
