The EXCELSIOR MAP, combining
PALESTINE,

To illustrate the New Testament, and
CANAAN,

To illustrate the Old Testament.

By G. W. BACON, F.R.G.S.

These two maps are mounted on linen, on one roller. The size of the map is 48x33 1/2 inches. The coloring is delicate, and clearly shows the different countries; the lettering is plain, and places distinctly marked.

This is a new map, and will be of important assistance in the study of the lessons the year round. Valuable in the minister's study as well as the school or class room.

Under the approval of the Ontario Government, the Company is accepted by the High Court of Justice as a Trust Company, and from its organization has been employed by the Court for the investment of Court Funds. The Company acts as Executor, Administrator, Receiver, Committee of Lunatics, Guardian of Children, Assignee of Estates, Agent, etc., and as Trustee under Deeds, Wills, or Court Appointments or Substitutions; also, as Agent for Executors, Trustees and others, thus relieving them from onerous and disagreeable duties. It provides the need of security for administration.

The Company invests money at best rates, in first mortgage or other securities; collects Rents, Interest, Dividends, acts as Agent in all kinds of financial business, issues and counterfeits Bonds and Debentures.

Safes and Compartments varying from the small box, for those wishing to preserve a few papers, to large safes for firms and corporations are rented at low rates, and afford ample security against loss by fire, robbery or accident. Bonds, Stocks, Deeds, Wills, Plate, Jewellery and other valuables are also stored. An examination of these vaults by the public is requested.
