MISCELLANEOUS.

The microscopists say that a mosquito has twenty-two teeth.

Strong nerves, sweet sleep, good appetite, healthy digestion, and best of all, PURE BLOOD, are given by Hood's Sarsaparilla.

Out of clothes, out of countenance; out of countenance, out of wit.—Ben Jonson.

THE BEST REMEDY.

Dear Sirs,—I was greatly troubled with weakness, loss of appetite, restlessness and sleeplessness, and found B. B. B. the most strengthening and beneficial medicine I have taken.

Miss Heaslip,

34 Huntley St. Toronto, Ont.

That is a valiant flea that dares eat his breakfast on the lips of a lion.—Shakespeare.

WHAT SAY THEY?

In popularity increasing. In reliability the standard. In merit the first. In fact, the best remedy for all summer complaints, diarrhoea, dysentery, cramps, colic, cholera infantum, etc., is Dr. Fowler's Extract of Wild Strawberry. All medicine dealers sell it.

To follow foolish precedent, and wink with both eyes, is easier than to think.—Cowper.

WHAT DO YOU TAKE

Medicine for? Because you are sick and want to get well, or because you wish to prevent illness. Then remember that Hood's Sarsaparilla cures all diseases caused by impure blood and debility of the system. It is not what its proprietors say but what Hood's Sarsaparilla does, that tells the story of its merit. Be sure to get Hood's, and only Hood's.

Purely vegetable—HOOD'S PILLS—25c.

There is no evil which we cannot either face or fly from, but the consciousness of duty disregarded.—Daniel Webster.

MOTHERS AND NURSES.

All who have the care of children should know that Dr. Fowler's Extract of Wild Strawberry may be confidently depended on to cure all summer complaints, diarrhoea, dysentery, cramps, colic, cholera infantum, cholera morbus, canker, etc., in children or adults.

Reflect upon your present blessings, of which every man has many; not on your past misfortunes, of which all men have some.—Dickens.

THE WORST FORM.

Dear Sirs,—About three years ago I was troubled with dyspepsia in its worst form, neither food nor medicine would stay on my stomach, and it seemed impossible to get relief. Finally I took one bottle of B.B.B. and one box of Burdock Pills, and they cured me completely.

Mrs. S. B. Smith, Elmsdale, Ont.

Our desires always increase with our possessions. The knowledge that something remains yet unenjoyed, impairs our enjoyment of the good before us.—Dr. Johnson.

FROM INDIA'S CORAL STRAND.

Dear Sirs,—I have much pleasure in certifying that after suffering severely for 15 months from diarrhoea, which came on after childbirth, previous to which I had suffered from dysentery for some months, I was cured by Dr. Fowler's Extract of Wild Strawberry.

Annie M. Gibson, Brillipatam, India.

He that would die well must always look for death, every day knocking at the gates to the grave; and then the grave shall never prevail against him to do him mischief.—Jeremy Taylor.

MRS. MILLION'S RIDE.

When Mrs. Million goes to ride she travels forth in state, Her horses, full of fire and pride, go prancing from the gate; But all the beauties of the day she views with languid eye, Her flesh in weakness wastes away, her voice is but a sigh.

For Mrs. Million is in an advanced stage of catarrh, and all the luxuries that wealth can buy fail to give her comfort. She envies her rosy waiting-maid, and would give all her riches for that young woman's pure breath and blooming health. Now, if some true and disinterested friend would advise Mrs. Million of the wonderful merits of Dr. Sage's Catarrh Remedy, she would learn that her case is not past help. \$500 reward is offered by the manufacturers for a case of catarrh in the head which they cannot cure.

Pretty electric light shades are now made of paper. They come in the shape of a tulip or large morning-glory, are coloured in natural tints, and then slipped over the glass bulbs.—New York World.

THE SAMBRO LIGHTHOUSE

Is at Sambro, N. S., whence Mr. R. E. Hartt writes as follows:—"Without a doubt Burdock Blood Bitters has done me a lot of good. I was sick and weak and had no appetite, but B. B. B. made me feel smart and strong. Were its virtues more widely known many lives would be saved."

"For Years,"

Says **CARRIE E. STOCKWELL**, of Chesterfield, N. H., "I was afflicted with an extremely severe pain in the lower part of the chest. The feeling was as if a ton

weight was laid on a spot the size of my hand. During the attacks, the perspiration would stand in drops on my face, and it was agony for me to make sufficient effort even to whisper. They came suddenly, at any hour of the day or night, lasting from

thirty minutes to half a day, leaving as suddenly; but, for several days after, I was quite prostrated and sore. Sometimes the attacks were almost daily, then less frequent. After about four years of this suffering, I was taken down with bilious typhoid fever, and when I began to recover, I had the worst attack of my old trouble I ever experienced. At the first of the fever, my mother gave me **Ayer's Pills**, my doctor recommending them as being better than anything he could prepare. I continued taking these Pills, and so great was the benefit derived that during nearly thirty years I have had but one attack of my former trouble, which yielded readily to the same remedy."
